Two points from me. Can we please change:

1. Fourth para, final sentence to: *"The Post Office will also continue to seek to make an independent review available to Applicants where this has not already been provided."* (We may not be able to actually deliver the independent review once SS are terminated); and
2. Fifth para, final sentence to: *"Having now completed its reinvestigation of each of the cases, Post Office has found no reason to conclude that any original prosecution was unsafe."* (We should avoid talking about appeals which have not yet been made)
