Thx Victoria.

Juts to confirm that my lave is 21st July to 3rd August – so definitely need to bear this in mind.

Angela - I think it would be good to add Chris Howard to the list also – whilst this is more about contracts than remuneration, he does have a great working knowledge of this stuff too.

Andy – can you confirm I can share the Paul Inwood witness attachment with him.

I am about to send over Stewart's review of Paul's statement – straight to you Victoria marked legally privileged?

GRO**Subject:** Timings for witness statements [WBDUK-AC.FID26896945]

Dear Angela, Nick and Mark

Thanks for your time on the call earlier.

I've prepared an indication of the timings for the phases of witness statements below. This isn't intended to be set in stone since we will need to fit around witness availability if they are doing something they cannot change. However, your help (in particular I was thinking Mark and Rodric) in clearing their desks and getting us priority access to them would be much appreciated.

I will also work into the below some time to deal with witness evidence on specific issues raised in relation to specific Lead Claimants, but have focused on the evidence on generic issues for now.

Dates	Task	Who?
W/c 2 July 2018	Finalising issues to raise with witnesses on generic issues	WBD and POL
	Arranging priority access for witnesses	POL
	Contact witnesses on generic issues to introduce lawyers working on statements and set up calls	WBD
W/c 9 July 2018	Calls and meetings with witnesses on generic issues	WBD and POL witnesses
	Working on witness statements	WBD
W/c 16 July 2018	Calls and meetings with witnesses on generic issues	WBD and POL witnesses
	Working on witness statements on	WBD
W/c 23 July 2018	Reviewing draft witness statements	POL witnesses assisted by WBD
W/c 30 July 2018	Final drafts / signing off	WBD and POL witnesses
W/c 6 August 2018	Slippage	WBD and POL witnesses
10 August 2018	Witness statement deadline	All

For your information, I will be assisted with the preparation of the statements by a team consisting of Dave Panaech, Ivan Roots, Helen Creech, Ed Duffield and Mandy Robertson. Depending on the complexity of the evidence allocated to each team member, they may be able to work more quickly than the above for certain of the witnesses.

Please let me know if you have any comments or queries on the above.

Kind regards

Victoria
