I am employed by Post Office Ltd as a Field Support Advisor and have held this position since October 2004. My duty involves classroom and on site training of newly recruited staff or Sub Postmasters. I also undertake refresher training courses for existing staff when requested by the Contract Advisors or Branch Development Managers.

I joined the Post Office® in February 2000 as a counter clerk and worked on the counter dealing with customer's transactions. I then was promoted to Deputy Branch Manager in 2003.

As a trainer I have a wide knowledge of the Horizon system as far as the transactions and balancing procedures are concerned. I do not have any knowledge as to how the Horizon system is managed or maintained from an IT perspective.

I have been informed by Post Office® Field Support at Salford that I assisted with on site training of a new sub postmaster, named Mrs Seema Misra between 11th July 2005 to the 13th July 2005. I also returned to West Byfleet Post Office® on the 27th July 2005 and the 3rd August 2005 to assist Mrs Misra with balancing procedures.
