Subject: RE: Thomas - M029 [BD-4A.FID25887033]

Martin

I've read through the advice on M029. In a couple of places Harry has indicated that we should <u>not</u> state that, when this case is compared to POL's current practices, things would have been done differently. From the meeting with you and Simon, my understanding was that this type of approach would be acceptable. Could you confirm whether POL may proceed on this basis or whether it needs to do things differently?

This may be easier to discuss - I'm around before 10am tomorrow and then after about 3pm.

Kind regards Andy
