CONFIDENTIAL

Agreement to Continue without Legal Advice

Case Reference No:	POLTD/1112/0228
Interviewee's name:	Grant Ian ALLEN
Investigator's name:	Stephen BRADSHAW

Part 1

1) I have asked that Mr/Mrs/Ms* _____, Solicitor, to attend this interview to give me legal advice.

I am aware that Mr/Mrs/Ms* _____, could not be contacted*/has previously indicated they do not wish to be contacted*/ having been contacted, has declined to attend the interview*.

I have been offered the presence of another solicitor and informed that if I attend a police station voluntarily (not under arrest) I would be entitled publicly funded legal advice. I have declined both of these options, (Please give your reason).

In these circumstances I agree to continue with the interview without receiving legal advice.

Or

2) I initially requested legal advice for this interview but have now decided that I do not wish to communicate with or have a Solicitor present. I have been informed that if I was to attend a police station voluntarily (not under arrest) I would be entitled publicly funded legal advice. I have declined this option, (Please give your reason for your change of mind).

I will see my solicitor when I return home.

In these circumstances I agree to continue with the interview without receiving legal advice.
