Steve

Wendy hasn't had a reply on this one – see chain below

We now need to respond to this urgently, so can you please confirm if you were the investigator on this case? If so can you help Wendy with confirming whether an interview did take place and if there is still a record of this please

Thanks
Kath

Hi

Thanks for forwarding on the file. Can you help me with another point please? The former agent below has stated in her letter of complaint that she was "interviewed under caution and your investigating officer found no evidence of any wrong doing..." . Unfortunately she has given me no more information than that, in terms of dates, names or places. I was hoping there may have been interview transcripts in the file but that's not the case. I need to establish if Mrs McKnight was interviewed and if any record of that interview exists.

Can you confirm if an interview took place please?

Regards
Wendy

Hi

Can I have the electronic investigation file for the former agent, Mrs Susan McKnight of Appley Bridge Post Office 270 406. Her contract was terminated on 28 October 2009, if this helps?

Many Thanks

Wendy
