Susan

I have no required format for you, I think we need to summarise Ron's Proposal into 1 page. For me the key headings are:

1. Proposal Summary – ie an dependant review of past fraud cases
2. Scope of the reviews (Ron's bullet points on slide 2)
3. Approach (slide 5)
4. Benefits – why we think this might help us – eg provide MPs with an independent assessment to address their concerns & understand anything we need to address.
5. Background on 2nd Sight and a bit about Ron and his buddy.
6. Cost – unfortunately this seems to be time and material – but we should say this.

I'm also hoping to have a proposal from Deloittes sometime this evening which I will also bring to the meeting tomorrow.

In the mean time Alice has asked for a Tor for the work that Ron et al are going to do – Simon I can probably pull that together if you can let me have a template to use.

Susan, Lesley

Attached is Ron's proposal.

My view is that we make it clear to Alice/Paula the distinction between the work Ron is proposing (an independent review of past cases) and the Horizon Forensic Audit (the Deloitte's proposal) and put it one the agenda to discuss tomorrow.

Susan/Simon:

As promised, here is our Proposal for the Case Review. I'll be contactable at any time on ([GRO]) and, until Monday when I leave for the States, also on ([GRO])

Whatever your decision on this, I'd like to thank you for giving us the opportunity to make this Proposal and meet with yourself, Simon and Lesley.

With very best regards,

Ron
