**CONFIDENTIAL AND LEGALLY PRIVILEGED**

All,

Further to the discussion this morning, we have captured in proposed words the objectives that see us through to next Friday (including key milestones).

Speaking to the team, we see these milestones as achievable and I'm much more comfortable with the clarity we have on what we're seeking to achieve. The outputs from the extension will provide you with a strong foundation for seeing the "full picture" of those design features which support your assertions, and whether we have seen sources of assurance over those features.

Best regards

Gareth
