I spoke earlier to Amanda Stevens who heads up NBSC and POEX, and also left voicemails with leads at NBSC and HR Service Centre. I'll be available if we need to react later.

Hi all

Thought it would be helpful to set things out as I see them at present.

J Arbuthnot statement: has landed and is about 50 times better than it could have been: highly complimentary of PO. Some issues in it, which I have raised with his office and they are considering. His office let slip that they are sending statement and report to BBC before 6pm.

Stakeholders: Mike is speaking to Consumer Futures. RMG briefed. Angela VDB speaking to CWU and CMA at c5pm (thanks Sophie). I will email statement to NFSP shortly (have briefed Paul Hook on the phone).

I am attending meeting this evening with an external lawyer. We won't do interviews.

Internal: Richard/Richard: my instinct is that this doesn't merit a 'special' release to internal channels at this stage (we can review tonight). Please can you let me know who to speak to later if we need to change. I do want NBSC to be briefed this afternoon though. Can this be arranged?

I think that's it for now.

Views welcome.

Best wishes  
mark
