Many thanks – I think we're broadly there, subject to the point you make about needing a view on prosecutions and some general tidying up which I am doing now. I note that Rod would like CK to have a look in the morning, but we should still comfortably meet the 2pm deadline Richard is working to.

I imagine Mark Underwood will have version control under control but I imagine he's still in the land of nod just now, and who can blame him !

Richard Callard indicated he'd be working on this this morning, so will get it over to him around about 9 your time and work on his comments once I am back in London at about 2pm.

Best wishes

Patrick

My comments on Rod and Andy's so I hope this is OK with version control.

Copying Chris and Mark so they can see where we have got to.

Finance will have to sign off the figures – Mark has this in hand for Monday morning but Chris please note – may need some assistance with that.

Andy Parsons, could you and Jarnail please liaise with about getting a definitive position on the prosecution position. This will need to be done as a matter of urgency

Best wishes

Belinda
