Andrew,

I hope this makes sense. Any questions give me a call. I understand Darrell raised this as the Team Leaders meeting.

Regards,

Christopher G Knight, Security Manager Security Operations

Subject: Evidence

Hi Chris,

I'm working an investigators guide. The guide will deal with a few important issues, including evidence handling and continuity. Rob says you've worked on something. Could you send your 'stuff' over to me and I'll see where I can pop it in the guide.

Cheers

Regards,
