I have explained to the Clark that we should give evidence separately to SS for the reasons Mark set out in his email yesterday. They are not budging – citing time restrictions, questions will be about process rather than individual cases.

Belinda's shorter email looks fine to me.

Can we discuss the way forward at 5pm?

Yes. Exactly. I thought I said this last night but it may have been a limited email chain

Only thought is that we don't want him to be on a panel of witness if it includes Paula et al.

Draft response from Chris to Ian of Second Sight - grateful for views on whether any more is needed. I think we should keep it short and simple.

Best wishes

Dear Ian

Thanks for your email and for forwarding me the email from the Clerk. I understand why you have checked with me and thank you for doing so. Post Office would, of course, not object to Second Sight speaking with the Committee as part of a panel of witnesses.

Regards  
Chris

Chris

I have been invited to appear before the BIS Committee at 10:30 on 3 February 2015. The subject is "PO mediation scheme: evidence to BIS Committee".

This would appear to be a matter where I require the written consent of Post Office Limited, as the information being considered falls within the terms of Section 6 of our Engagement Letter dated 1 July 2014.

I assume that POL will not object to Second Sight giving evidence to BIS, but I would be grateful for your written approval to do this, in accordance with the terms of our engagement.

I am copying this email to Jessica Montgomery, Second Clerk, Business, Innovation and Skills Committee.

I would be grateful for a prompt reply to this letter.

With best wishes
