Subject: Re: Select Committee: initial briefing material and other actions

Thank you Jane.

On the Andy Furey point, I saw him today. He is considering what the CWU position will be, he said. He suggested that he was not keen to give evidence but was under pressure internally to do so. He said there were two issues: first, re Horizon. Secondly, our handling of the issue.

We agreed to discuss further and I will brief Tom (copied).

Dear Paula

Further to this morning's meeting, please find attached the transcript from the Westminster Hall debate and the dossier that was produced in response. The dossier has been shared with Jo Swinson, and we understand it will be laid in the house.

Belinda will send you some investigation reports, and some of SS's reports on our reports. We will schedule a meeting for you to discuss with Angela.
