Hi Kevin, Angela

The submission for the Transformation Committee from the Programmes are due to be with the Strategy Team by lunchtime on Thursday 28th August. I had the monthly meeting with Michael Brown yesterday and agreed that as there was not the usual Transformation Committee in August, the Period end isn't until the 31st August and the slide was discussed as part of our Steering Group on the 8th August that it was appropriate to submit the slide we did for August.

I've reviewed the content and up-dated the information with the data or up-dates we've received since the 8th August but the majority of content is the same. I've attached the slide and a supporting word document explaining the key points. You don't need to look at the excel document unless there is something we need to change on the slide.

I've said to Michael that there are no new risks that need to be raised.

If you could review that would be great.

Angela,

I'm obviously on leave next week so if you could submit the slide to Michael once you are both happy with it, that would be great.

As always, if there are any questions, please don't hesitate to ask.

Thanks

Gayle
