Good call. We didn't appoint him.

Thanks Alysa – we spoke and agreed we'd upload the final revised version on ecase. James, can you do the honours please (attached)?

I made a slight change to say that Sir Anthony “was appointed” rather than that “we appointed him” – I don’t know if the latter is incorrect, but I think the former is safer.

Hi Laura,

I just had a quick brainstorm with others in the office- what do you think of the wording below?

Hi Alysa

We've been working through the small changes that Jo asked us to make to the letter back to Alan Bates of JFSA – in particular, Jo asked us to rework the penultimate paragraph of the letter (regarding their request for a meeting) to make it stronger.

I attach the revised letter (with changes in track) – and the new paragraph pasted below. Could you take a look and let me know whether you think it will be OK for Jo? Happy to chat through.

As I said above, I am glad that you say you will continue to participate in the scheme, which is something that I would encourage. Regarding your request for a meeting, Government feels strongly that it is paramount that both the scheme and the individual cases remain both independent and confidential which is why we appointed the Independent Chair, Sir Anthony Hooper to oversee the scheme. Government is not in a position to influence the scheme and as such, Sir Anthony Hooper is best placed to address your concerns.

Thanks very much

Laura
