Investment, SMEs, and Exports	Post Office Chair Jason	In relation to the call, there is some urgency to making sure the call takes place preferably before Monday, or at the latest by the end of Monday. It is preferable for this call to take place before Monday because the Chair is expected to be in the office on Monday and that affected colleagues and other members of the Board are also expected to be in the office as well. IRRELEVANT When do you want me to schedule this call for you? Also, please see linked for a draft script of this call: [JC024] Proposed Script for Call with Henry Staunton Post Office	Monday afternoon
