Dear Sirs

**REGINA -v- CARL ADRIAN PAGE
STAFFORD CROWN COURT - TRIAL - 4 JANUARY 2005**

I write further to previous correspondence in this matter.

Following correspondence received from the Solicitors representing Mr Page, the following documentation has been forwarded to them:-

- 1 Copies of all notes in Mr Coney's possession relating to Mr Page and Rugeley Post Office.
- 2 A copy of the Post Office Limited Standard Corporate Customer (Bureau de Change) Contract.
- 3 A CD showing all Bureau de Change on demand office weekly summary figures from Week 01 (week ending 3 April 2002) to Week 43 (week ending 22 January 2003).
- 4 A list showing all currency types sent to Rugeley MSPO between 3 January 2002 and 1 January 2004.
- 5 Custom and Excise Draft Schedule used to compile Exhibit MP/4.
- 6 Copies of the mobile telephone records of Mr Page.
- 7 A copy of Post Office Limited's Corrective Action Policy (2002); this deals with disciplinary/suspension matters.
- 8 A copy of the material used by the witness Neil Roberts to prepare his statement.

Copies of all the above are enclosed for your information.

Mr Page's Solicitors have indicated that they were provided with two copies of the same transcript of interview with Mr Horton. In case the error was also made in relation to the transcripts forwarded to yourself, I enclose further copies of both transcripts of interview.

Counsel advised that Mr Page's Defence Statement should be disclosed to you, and a copy is enclosed. He also considers that yours falls for disclosure to Mr Page's Solicitors, and it has accordingly been copied to them.
