

ATTENDANCE NOTE

CASE NAME: SEEMA MISRA
CASE NO: CRM/258932/JSX
DATE: 27th January 2010

Discussed with Counsel Warwick Tatford disclosure and the Mention at Guildford Crown Court on the 1st February 2010.

Counsel said that we should disclose everything we can disclose at this stage so the Defence will know where we are coming from. We should be seen to be willing. Secondly Jon Longman has been chased on Horizon but this has not been in hand at the moment. Also Counsel says as stated that he will deal with Section 8 of the disclosure. Also that Warwick Tatford was the only person who could deal with this as he is the only one who had seen the case papers on this. I will write to the Defence stating that Counsel is drafting a disclosure on Section 8 application and this will be served on the Defence shortly.
