

## ATTENDANCE NOTE

CASE NAME: SEEMA MISRA  
CASE NO: CRM/258932/JSX  
DATE: 15<sup>th</sup> July 2010

Received a telephone call from John Longman. He informed me that he has spoken to Penny Thomas regarding my E-Mail and that she is still awaiting a form to be completed and authorised by Post Office Limited before she is able to allow Gareth Jenkins to meet up with the Defence Expert as directed by the Crown Court. He tells me that there is a CT form which needs to be countersigned by somebody in the Commercial Team which includes a purchase order number before Penny is able to authorise.

I highlighted this to Rob Wilson. He informs me that one needs to tell Penny Thomas that if this is not authorised we or the Defendant would have the matter listed and then she or somebody from her organisation would need to come to Court and explain to the Judge what the delay or the hold up is.

I spoke to John Longman informing him what I highlighted in my conversation with Rob Wilson saying that this matter will be listed for Mention and that Penny Thomas would then need a summons to appear before the Judge to explain why Gareth Jenkins is not authorised to meet up with the Defence Expert. She was hesitant and informed me that this may not be good for our relations with Fujitsu. I got Penny Thomas' number and a mobile number and informed him that I will speak to her. Her number is GRO and her mobile number is GRO

I telephoned Penny Thomas, explained the position to her and informed her that I had spoken to John Longman and that if Gareth Jenkins is not authorised to speak to the Defence Expert then we or the Defence may have the matter listed for the Court and somebody from our organisation would need to be in Court to explain to the Judge the reasons why and this would be horrendous for the Business and adverse publicity this may attract. She informed me that Gareth Jenkins has been authorised to speak to the Defence Expert and he will be contacting him today.

One telephone call to Issy Hogg the Defence Solicitor informing her that Gareth Jenkins will be contacting their Expert today with a view to arranging to discuss the issues involving this case as per the Direction given by the Judge at Guildford Crown Court on the last hearing.
