John,

Case Law 7 & 8 were settled for £9,558.63 Credit note number 0209118 18/9/02
Case Law 4 & 5 were settled for £9,075.00 Credit note number 0301244 07/1/03

I agree that no settlement was made for Case Law 6. (Confirmed in a letter from Colin dated 13/9/02)

As far as I'm aware credits were not raised for 1, 2, or 3. I can't be 100% sure because they have various descriptions
Colin - can you confirm what was agreed with POL on these

Regards
Claire

Claire,

I have a non urgent request, and have been told that you may be able to help. I am trying to catch up on some work I have been putting off, and so have been going through emails that I have been saving for later.

What I am trying to do is see where were are with Case Law issues. I realise that Case Law 9 has been settled, and have the invoice ref. I was wondering if you could help on the some of the others?

Case Law 7, and 8. According to letter from CLS to Mike Hannan we agrees to settle for £5156.60, and £4402.03. Can you find out when this credit was issued, and the credit note ref?

Case Law 6: We told POL in January of this year we would not accept liability so no need to action here

Case Law 4, and 5: We *offered* to settle on both (they are related) for £9075.00. My email stream has since dried out on this (last email was Jan 6 2003). Do you know if this was settled, and if so what was the credit note was issued, and the ref.

Case Law 2, and 3: POL agreed there was no issue after all, and these were closed with out settlement. That is unless you something I don't.

Case Law 1: This one is going back a bit, but the only information I have was that this was removed from Case

Law on 26/03/2001. I do not know if there was some later settlement. This one has some interest for me as there has been a similar incident fairly recently, and I suspect we would settle it the same way as CL 1. Do you know what became of this one?

If you can help it would be greatly appreciated.

John
