Dear Anne,

Many thanks for this. Are you available this afternoon for a telephone call to discuss at say around 2.30pm

In the meantime, what I do also need is someone from Fujitsu who is comfortable summarising all the call logs to HSH (we'll then separate this bit out from your draft statement). There were numerous people at HSH who took these calls, (too many to all call as witnesses) so please can you and Brian identify a HSH call supervisor to whom I could speak, asap?

I look forward to hearing from you.

Kind regards.

Stephen,

I have only today received this draft, and am attempting to go through it.

I'm somewhat concerned about my witness statement containing all the Powerhelp calls, given that I had no involvement with them at the time - I would have looked at a number of the earlier calls when investigating e-0402251077 (para 26), but none of the later ones. I was unaware of problems at the branch until 26th February when the call was sent to SSC.

The way it is laid out at the moment is neither a verbatim transcript of the calls, nor my interpretation of what was probably meant at the time. I can provide the latter if that is what is required, but there needs to be a clear delineation between what was stated then and comments I make now.

I do not particularly want to be questioned on the handling of calls by HSH, since I did not and continue to have no responsibility for this.

I have many changes and comments to make to the witness statement (not least, can you please spell my name correctly) but would like to get this clarified first.

Regards,

Ann

If you remember we discussed this at our meeting a while ago. Stephen has now put together a statement for you to review and which you are free to amend alter or add anything you like.

Gratefull if you can go through this to ensure what the statement says is correct and you are happy with it.

Please advise Stephen if there are any innacurracies or if you have any concerns at all.

Also please let me know if you have any questions at all on this.

Regds Brian

Dear Brian,

I refer to my e-mail of 2 August and attach the first draft of a Witness Statement and exhibit for Ann Chambers. This is designed to run through the HSH call log reports and explain them to a Judge. Please can Ann have a look at the first draft, make any changes she feels are appropriate and also answer my questions in ***bold italics***. Once I get feedback from Ann, then I will revise the statement with Counsel.

I look forward to hearing from you or Ann as soon as possible.

Kind regards.
