Hi Dave

Hope you are well.

Please find attached the draft of my statement for Sheerwater. I'll put a signed copy in the post today.

If I don't talk to you before, have a super Christmas, see you in the New Year.

Kind regards
Penny

Could you please provide a witness statement, covering the data supplied, in respect of the above.

Is it possible to include in the statement how the disc was produced and also how the Horizon system works (particularly user codes)

Regards
Tony
