Telephone conversation with Ruth Simpson re amendments she wants to make to her witness statement.

Basically she wants to amend para 7C to correct the date of the cash account to 7 April. She also told me that she could tell from the cash accounts that the morning the screen went blank was Wednesday 31 March 2004 because she didn't print out the cash account until later that day as a consequence. Therefore she asked me to make consequential amendments to para 9C of the statement.
