Andy

As per our telephone conversation of today I would be grateful if you could answer the following points raised by the defence.

- 1) Please provide details of any business testing carried out by the Post Office on the system before it went live.
- 2) Please provide the service logs for the system at West Byfleet PO for a period commencing six months prior to the defendant taking over as sub postmistress (30/06/2005) to the present day.
- 3) Please confirm when and why the hardware in the system at West Byfleet PO has been changed.
- 4) By whom have these changes been made.
- 5) When new hardware was installed at West Byfleet was it brand new or reconditioned
- 6) If it is the latter please confirm the identity of the PO from which the reconditioned hardware came and why the hardware has been removed from that PO.
