Jeremy,

At some stage, please can you provide me with a Word version to lodge in Dimensions (and also in case I need to edit it again!)

Hi Dave,

Please find attached the integrity document we discussed. Sorry for the delay--we needed to introduce some degree of commercial and legal review.

Please note that this is purely a technical explanation of how Horizon ensures data integrity, and is submitted on a "without prejudice" basis.

Speak to you at 4pm.

Hope that helps,

Jeremy Worrell | CTO, RMG Account | GRO
