HNG-X Daily Issues RAG Report - 2010-02-05.xls
CWD Issue meeting Closed & Moved.doc

Please find attached a new table for tracking the Daily issues. It has been built using the CWD meeting minutes. I suggest we use this table to monitor these issues and capture any new ones.

I have included the 'final' version of the CWD meeting minutes to confirm that all the outstanding actions have either been completed or have now moved to the new table.

(See attached file: HNG-X Daily Issues RAG Report - 2010-02-05.xls)(See attached file: CWD Issue meeting Closed & Moved.doc)
