there may be hearsay applications in relation to matters already within the public domain regarding the problems with the Horizon system. Also please be on notice that Gareth Jenkins statement is not agreed and that he should attend the trial to give oral evidence.

I hope this deals with most matters contained within your letter, I will place your letter and enclosures before counsel and I will endeavor to liaise with you should he have any observations.

Please note the aforementioned date, I have asked this matter to be listed for the 5th of February 2013 to deal with any outstanding matter, effectively to have a Pre Trial Review to ensure that we are all trial ready. At the time of writing this date has not been confirmed but I am sure that listings will confirm it with you in due course.
