Hi Wayne,

Your timing is spot on – I am currently chasing Susan about this!

We'll have a new line at the end of March 2013 – I just need Susan to approve my business case.

Will let you know once we have more detailed plans in place – will be helpful to have your input.

Georgina

Hi Georgina,

Just wondered if anything is being progressed with regard to a new POL whistleblower service?

Obviously the Group 'Speak Up' line was in place previously, but I know that post separation there was an appetite for R&C to take up the mantle in developing a new POL version.

You may recall that I instigated a watered down 'Internal Fraud' line as part of the Grapevine portfolio, and we do get a trickle of calls through on that. However I'm assuming that a full blown whistleblower service will be developed and branded by POL?

Regards

Wayne
