Dear Sirs,

**Re: Khayyam Ishaq**  
**Trial at Bradford Crown Court – 25<sup>th</sup> February 2013**

We write further to your letter dated the 20<sup>th</sup> November 2012 and thank you for enclosures in respect of the same.

With regard to the other matters of disclosure contained within our defence case statement, we make reference to an Order made by HHJ Rose at the Plea and Case Management Hearing. We are not aware of any such Order that a revised Defence Case Statement should be served with a view to disclosure being reviewed on your part.

Our Defence Case Statement not only details our defence and the issues we take with the Horizon Software but also we feel it explains why we make the disclosure requests.

In the interest of progressing the matter we ask that you review your disclosure obligations if you have not already done so and revert back to us with your final position and if you still feel that you are not obliged or willing to provide the information then we may give thought to a Section 8 application.

We look forward to hearing from you as a matter of extreme urgency.

Yours faithfully,

**GRO**
