Rod/Simon

The Rudkin Spot Review needs to be updated following Martins Statement.

We also need to make reference to the minutes we have found with reference to a visit to Bracknell.

Thx

Merthyr Dyfan is a police prosecution, i.e. it is not a case that we brought.

Because it's not our case, we don't have much information on it, but have been reaching out for the details.

We should know more tomorrow.

Thanks Rodric and sorry about the Broadband!

The Merthyr Dyfan case - is this a case which are taking through the courts or a Costcutter related case? What are the details? Is there a Horizon element? I think this is the first I have seen of this one, but apologies if it is covered elsewhere.

All – please see attached.

Main amendment is a new Annex 3 summarising the issues raised by the SPMs who are constituents of James Arbuthnot and Oliver Letwin (cross referenced in para 13).

Apologies for the delay – my broadband went down!

Kind regards
