Martin – there’s one amendment to the longer briefing note which I just sent that should track across into the one Susan prepared.

It’s a small point, but the second bullet point in the “**62 Branch Exception**” section of Susan’s note should say “subpostmaster branch losses ranged from £115.60 down to 8p”, not “Branch losses ranged from £777.96 down to 34p.”

My apologies – the figures came from an earlier version of my document, and reflected my misreading of a spread sheet.

Kind regards. Rod

All – please see attached.

Main amendment is a new Annex 3 summarising the issues raised by the SPMs who are constituents of James Arbuthnot and Oliver Letwin (cross referenced in para 13).

Apologies for the delay – my broadband went down!

Kind regards
