Subject: RE: Horizon: Review and Mediation Scheme

Hi Mike

We have now received 46 applications from sub-postmasters for the mediation scheme since it was opened at the end of August. 37 of the application have been accepted on to the scheme and we are now awaiting full submissions from the sub-postmasters in question before proceeding to the next stage. The remainder require additional information or are in legal processes which exclude them from joining at this time. The application closure date is the 18th November.

As discussed with Will last week, we are in the final stages of appointing Sir Anthony Hooper as the independent chair and expect to have him in place by the end of October.

We should probably have a longer catch-up on the mediation scheme and the wider project in the next week or so.

Thanks,
Martin

Subject: Horizon: Review and Mediation Scheme

Mike

It would be helpful to have, for background purposes and possible enquires from Jo (we have a couple of Horizon related Minster's cases in the pipeline), some information on the progress of the Mediation scheme - numbers of cases submitted for review, numbers accepted, numbers of mediations that have so far taken place (and with what result/success). And has an independent Chair appointment been made?

Regards

Mike
