Alan,

Sorry this is slightly late in the day. James would be pleased to speak to you tomorrow, Thursday 9 January, at 15.45. He'll call you and we have both numbers.

If anything urgent comes up which means we have to reschedule, I'll let you know asap.

Kind regards  
Janet

called JKW and asked for confidential chat with JNA. Says mediation scheme is running, but PO putting some pressure on Second Sight (vague about quite what) and Ron Warmington getting to the stage where he is thinking of walking out. Wants to talk to JNA and just brief him on background.
