Dear Belinda

The Working Group is made up of 3 elements the Chair, POL as Respondents and JFSA as the Claimants representative – all 3 should be consulted if a planned meeting is to be cancelled. The purpose of the weekly phone conference calls is to make sure the process is on track.

Some deadlines passed today for replies – do you know if they were met?

Alan,

Thanks, I note your points in relation to cancelling the meeting. It was not a POL decision, I conferred with Tony.

In terms of progress I had not planned to put a Case Progress Chart up this week as Post Office is focussing on reviewing the cases they had already passed to Second Sight to take account of the feedback from the face to face Working Group meeting therefore the progress chart will need to be amended to reflect that. I would plan to have that ready for next week. In the meantime, I know that David is answering any particular queries you have.

Best wishes  
Belinda

Hello Belinda, why have you agreed this without conferring with the other members of the Working Group or was this a POL decision? There are a number of issues that relate to where cases are up to in the timetabling that we need to know, no least to keep the Applicants informed of progress with their cases. I am presuming that POL will still be updating the Case Progress Chart and that will be on Huddle shortly.

In future I would be obliged if you please contact and discuss the matter with either Kay or myself before deciding to cancel meetings.

Alan

All,

I have conferred with Tony and we have agreed to cancel tomorrow's call and propose the following:

- Post Office and Second Sight are focussing on completing the three cases in preparation for the next face to face meeting and Post office is redrafting those reports which have already been submitted to Second Sight in line with the discussion at the last face to face meeting. Post Office and Second Sight can update us on progress on the call next week.
- With regards to the CQR's posted by Ian, Angela liaises with Second Sight and updates the Working Group next week.
- Howe and Co have asked for an extension of their cases pending the response from Post Office on a query they have raised. We consider that request next week when Post Office has responded to Howe and Co.

Best wishes  
Belinda
