Hello all

With thanks to Tom for his comments on my draft and, in particular, for the background information, here is some briefing for Paula's meeting with JA which I hope will take the trick. It seeks to cover all eventualities in terms of her disposition on the day and the hostility or otherwise of the meeting – critically, however, it does represent an attempt to try to regain some initiative.

All comments welcome, of course, and I can make the necessary changes/have discussions during the course of tomorrow and early Monday.

Best wishes

Patrick
