Attachment: POST OFFICE RESPONSE TO WESTMINSTER HALL DEBATE v2.docx

Thank you Tom, Mel and Belinda. It looks really good to me.

I've tracked some changes, including shortening the introductory para so it's a bit punchier:

During the WH debate on 17th December a number of statements and allegations were made by MPs, many of which were serious in nature, incorrect or did not provide the full context. This note sets out the Post Office response.

Let me know if you have any concerns about this – or any other changes.

Best wishes

Jane

It would be great to get this to the minister and the MPs letters out next week before the JFSA meeting and the BBC prog.

From a quick scan, it's already looking good - could you just tell me what sort of deadline is being worked towards ?

Best wishes

All

With thanks to Belinda and Mel for their input so far, please find a first draft dossier attached. This would be for the us to offer to the Minister to place in Parliament and for us to use with MPs etc / publicly.

Please note: As colleagues are still commenting on the "short version" there will need to be a reconciliation of the two documents mostly for style / language rather than substance.

All comments welcome.

Thanks

Tom
