Belinda,

Not sure if Richard responded to this but it looks like we're free at 15:00.

Does that work your end?

Thanks,

Tim

Hi Belinda

Now that the dust has settled, a bit, I thought it might be useful to have do a call tomorrow or Monday

around next steps for sparrow. I know you are doing the line by line rebuttal, and are planning to write a long-ish letter for laying in the House, but I think its worth keeping close to stay coordinated.

Other thoughts for discussion include some sort of more digestible "mythbusters" document that we can continually put out there and Paula discussed with Jo today the idea of offering one on one's with MPs (noting you had offered them before but let's publicise it).

Anyway, what works best for you - tomorrow or Monday, I am generally free tomorrow, slightly less so Monday.

Cheers

R
