*Dear Oliver,*

Thank you for your letter of 13 November regarding the Post Office Horizon IT system.

I met with Ron Warmington and Ian Henderson from Second Sight on 19 October. It was a helpful meeting and they raised a number of important points. I suggested that they contact Tim Parker, the new Chair of Post Office Limited, to follow these points up.

Tim is currently conducting a review into this issue and has appointed a QC to advise him. I understand he is currently setting up meetings with the key parties and I am expecting him to update me on his findings in the New Year.

*Warm regards*

**BARONESS NEVILLE-ROLFE DBE CMG**
