Hi Al and Tom,
I'd be happy to talk about it too because I agree there's more we should try to do.

Pauline – could you try to find a time for the three of us to speak (after Tues next week, I suggest), please?

Thanks,
Carl.

Happy to discuss. We're struggling with it too to be honest.

Carl, Tom

Can we please talk about how we collectively support Kelly? She clearly feels under-communicated with and there was a consistent sense yesterday that she felt she was out there defending us without the proper joined up support.

From our point of view, we would see the role of UKGI as a two way flow of challenge and support – Tom,

you spend a lot of time with us, sit on the Board and are a member of the Litigation sub-committee so our assumption has been that there is enough knowledge in the system to supplement the day to day working of the Comms teams and to so on to ensure BEIS and Kelly are briefed?

If that isn't right – and it kind of doesn't feel that it is – perhaps I should be sending a weekly email to Kelly and/or sending on the notes we do for the Board when we get in the newspapers etc.

I don't mind very much which way we do it, I just feel we need to collectively get better at it?

Thanks Al
