Subject: Problem statement IRE19 DCs

Hi All

There was a question as to whether or not FJ have yet issued a problem statement to POL re: IRE19 DCs (in relation to potential impact on tactical San).

I have spoken to Steve Browell who has confirmed a note was sent to Simon Oldnall and Jeff Smyth 11th Jan 22. I think John N asked for this info, please share (I don't propose to share the email itself, suggest they talk internally if they need / want a copy).
