Nick ,
Just to wish you all the best for
tomorrow in front of the Select
Committee. You are doing a great job
leading the PO in harrowing times ;
under more pressure than any CEO
should endure ; with v little support
from UKGI . Just remember all that as
you are in front of the MPs . You have
the full support of the Board . Thank
you again for your efforts . BW , Henry

Got your message Henry. Will ask
GRO to arrange some time for
Monday afternoon. It wont be in
person but on teams.
Nick
