Penny / Tom,

I've finally managed to go through the witness statement that you kindly put together for me. I've tidied it up a bit using "Revisions" (attached). Should all the bits "POL to Comment" just be removed from the witness statement?

I don't know anything at present about Falkirk.

I'm not aware of issues in Horizon other than the event timeouts. Not sure how to cover that in the witness statement.

I've read Eleanor Nixon's statement. I'm not clear what response I need to give.

I'm OK in principle talking to the POL Solicitor / Barrister. However, this is a very busy time with HNG-X (though I suspect this may be considered an even higher priority). I'll come and talk at 2pm.

Regards

Gareth

Penny

At a pre court hearing today the judge has ordered that all the defence requests for further information be answered by 4pm on Monday 8th February.

Our solicitor in the case has asked that Gareth's statement is completed by Wednesday of this week so that he and our barrister can examine the statement.

Gareth's statement needs to cover the following four points.

1. Our defence barrister has asked for all of Gareth's replies in relation to the Defences 2nd Interim Report (see attachment below) to be produced as a witness statement. I would suggest that the question from the defence is reproduced and then Gareth's replies are recorded immediately after for clarity purposes.

(See attached file: 9c15.misra - 2nd interim technical expert's report 19.11.09.doc)

2) My barrister telephoned me yesterday evening and requested that I find out any information that Fujitsu may hold in relation to an office called Callender Square in Falkirk. Apparently, Anne Chambers a Systems Specialist employed by Fujitsu was cross examined and it is said that she had full knowledge of an error in the Horizon system at this Post Office. Our barrister would like Gareth to deal with this matter and expand upon whatever issue Anne Chambers raised at court within his witness statement.

3) When Gareth completes his statement could he also mention whether there are any known problems with the Horizon system that Fujitsu are aware of. If none could this be clarified in the statement.

4) Could Gareth read the statement from Eleanor Nixon attached below and respond in his statement to the points raised by Eleanor Nixon about Horizon.

(See attached file: Eleanor Nixon Statement.rtf)

In addition our barrister would like to speak to Gareth directly and would be grateful if in the first instance whether Gareth could either send him his contact details or give him a call on his mobile. Our barrister is called Warwick Tatford and his e-mail address is [REDACTED] GRO and mobile number is [REDACTED] GRO
