Andy

Please see the email below from Graham Brander. Is this similar to the request that was made to you by Steve Bradshaw?

I wonder if this is something that we need to review and I will pick it up with Penny as we have a meeting in a couple of weeks.

In the meantime if there are any problems with this latest request can you please let me know

Regards

Jane

Hi Jane

Juliet McFarlane has asked for Andy Dunks to produce another statement in respect of Up Hatherley case, producing as a separate exhibit, the full schedule detailing all calls to HSH within the specified period (01/04/08 – 11/12/08). It looks like this is how CLT want all future statements produced by Andy, as opposed to some being version 2 type.

Please would you ask Andy if he can produce a schedule showing full details of all calls to HSH, giving explanations where necessary. Obviously, this statement / exhibit is required asap to be served as further evidence.

Thanks

Graham
