**POST OFFICE LIMITED v JULIAN WILSON**  
**ASTWOOD BANK**  
**CASE NO: POLTD/0809/0126**

Read and noted thank you. In my opinion the evidence is sufficient to afford a realistic prospect of conviction of the above named on the charges set out on the attached Schedule. You will note that I have charged him with one offence of theft over a period of 5 years and also specimen charges of false accounting contrary to Section 17(1) of the Theft Act 1968. The remaining offences can be dealt with as matters to be taken into consideration. Kindly let me have a schedule of TIC prior to the first hearing.

If the Defendant offers a Guilty plea to false accounting it is advisable that the prosecution should accept this plea and not proceed with the theft charge. In view of his admissions to false accounting in interview under caution and denial of theft.

This case is, in my opinion, more suitable for trial in the Crown Court. Once the decision has been made please proceed to obtain summons.

The following statements should be obtained:-

If the Defendant should elect trial or if the Magistrates refuse jurisdiction or if a Not Guilty plea is entered, the Investigation Manager should obtain and associate all necessary statements and exhibits. I list below the statements which appear to be necessary in this case, but the Investigation Manager should also consider whether there are any other areas which can usefully be covered and include any such evidence.

- 1 Copy statement giving evidence of access explaining the Subpostmasters duties and period of service.
- 2 Copy statement producing an extract from the accounts. A statement explaining the Horizon system, accounting procedure and the Branch Trading Period. Relevant accounts and documents should be produced.
- 3 Copy statement from the Auditors dealing with findings of the audit.
- 4 Copy statement from Interviewing Officer and Officer present during interview.
- 5 Continuity statements.
