Fujitsu Services shall not be liable for any loss or corruption of Post Office Data nor for any failure to perform the Services if it can prove that such loss or corruption or failure to perform the Services was caused by Post Office Data which was lost or corrupted before Fujitsu Services received it, and Fujitsu Services has complied with the validation rules in relation to such Post Office Data.

33.4 Databases

For the avoidance of doubt, Post Office shall have the right to use the Services, the Infrastructure and the PostShop Branch Infrastructure to capture, develop and use databases containing information in relation to its customers. CONFIDENTIAL

member of the Fujitsu Services Group) and all costs, expenses (including but not limited to legal costs and disbursements reasonably incurred on a solicitor and client basis), losses and damages arising from or incurred by reason of:

34.4.1 any infringement or alleged infringement (including but not limited to the defence of such alleged infringement) in the United Kingdom of copyright, moral rights, database rights, design rights or trade marks resulting from:

- (a) the use or possession in accordance with this Agreement by or on behalf of Fujitsu Services or a member of the Fujitsu Services Group of a HNG-X Requirement for the HNG-X User Interface or Postal Services Business Capability specified by Post Office as part of the Requirements Baseline (as this may be amended from time to time in accordance with the provisions of Schedule B6.1) (together, "UI Development Requirements"); or
- (b) the development by or on behalf of Fujitsu Services, or the possession or use by or on behalf of Fujitsu Services, in each case in accordance with this Agreement, of the HNG-X User Interface or Postal Services Business Capability, but only to the extent that the infringement or alleged infringement relates to a part of the HNG-X User Interface or Postal Services Business Capability that could not reasonably have been developed in accordance with the UI Development Requirements without giving rise to that infringement or alleged infringement; or

34.4.2 any infringement or alleged infringement (including but not limited to the defence of such alleged infringement) in the United Kingdom of any Intellectual Property Right resulting from the use or possession in accordance with this Agreement by or on behalf of Fujitsu Services or a member of the Fujitsu Services Group of:

- (a) Post Office Developed Documentation (but only to the extent that the infringement is due to the material referred to in the second limb of the definition of that term);
- (b) any documents, software, materials or items that Post Office has procured or licensed from third parties which the Parties have agreed in writing will be supplied by or on behalf of Post Office to Fujitsu Services for the purpose of providing the Services, HNG-X Development and/or Associated Change Development (including, without limitation, use as part of the HNG-X User Interface or Postal Services Business Capability) or any other more limited purpose agreed in writing by the Parties provided that (a) such use or possession by Fujitsu Services is for the purpose of providing the Services, HNG-X Development and/or Associated Change Development (or such other more limited purpose as may be agreed in writing by the Parties); and (b) the Post Office's only liability under this Clause 34.3.2(b) shall be to pass on to Fujitsu Services the benefit of any indemnity (the terms of which Post Office shall, unless unable to do so due to obligations of confidentiality owed to the relevant third party owner or licensor, notify to Fujitsu Services upon

CONFIDENTIAL

Fujitsu Services' request) in respect of the infringement or alleged infringement it receives from the relevant third party owner or licensor; and

- (c) to the extent that Post Office has not procured or licensed it or them from any third parties, any software and related documentation, graphic designs, trade marks or Reference Data (and such other individual material as the Parties may agree in writing should be covered by this indemnity) supplied by or on behalf of the Post Office to Fujitsu Services for the purpose of providing the Services, HNG-X Development and/or Associated Change Development (including, without limitation, use as part of the HNG-X User Interface or Postal Services Business Capability) or any other more limited purpose agreed in writing by the Parties provided that such use or possession by Fujitsu Services is for the purpose of providing the Services, HNG-X Development and/or Associated Change Development (or such other more limited purpose as may be agreed in writing by the Parties),

excluding in each case the UI Development Requirements; or

- 34.4.3 any infringement or alleged infringement (including but not limited to the defence of such alleged infringement) in the United Kingdom of any Intellectual Property Rights resulting from the development by or on behalf of Fujitsu Services, or the possession or use by or on behalf of Fujitsu Services, in each case in accordance with this Agreement, of the HNG-X Service Infrastructure or the Business Capabilities and Support Facilities, but only to the extent that the infringement or alleged infringement results from any instruction given by Post Office to Fujitsu Services in accordance with the provisions of Clause 34.5.2 (b)(a) and Fujitsu Services had first notified Post Office of the risk of that infringement in accordance with the provisions of Clause 34.5.

34.5 Fujitsu Services shall use its reasonable endeavours to, and observe good industry practice in its efforts (including its monitoring and searching practices) to, be aware of any third party Intellectual Property Rights covering the areas of technology and business methods and processes to be developed by or on behalf of Fujitsu Services as part of the HNG-X Infrastructure and the Business Capabilities and Support Facilities (including, without limitation, the HNG-X User Interface or Postal Services Business Capability).

34.6 Without prejudice to Fujitsu Services' right to an indemnity under Clause 34.3.1 and/or 34.3.2, in the event that Fujitsu Services considers, at any time prior to Trigger Point T5 (Data Centre ready for HNG-X) (or within 30 days of the start of HNG-X Project Workstream X4 (HNG-X Application Roll Out) for any HNG-X Requirement provided to Fujitsu Services after Trigger Point T5 (Data Centre ready for HNG-X)), that a HNG-X Requirement that forms part of (or is intended to form part of) the Requirements Baseline (a "Queried Requirement") would, if implemented, result in a reasonable risk of infringement or alleged infringement of Intellectual Property Rights owned by a third party, then:

CONFIDENTIAL

34.6.1 it shall promptly on discovery notify Post Office in writing of its concern, such notice to be accompanied by:

- (a) a proposal for an alternative requirement that, if implemented, would fulfil the relevant Development Obligation; and
- (b) such relevant materials and information that it is reasonable for Fujitsu Services to provide in order for Post Office to understand and assess such risk and the alternative requirement proposed by Fujitsu Services under paragraph 34.5.1(a);

34.6.2 within 14 days of its receipt of such notice (or such other time as the Parties may agree), Post Office shall respond in writing to Fujitsu Services stating whether or not it:

- (a) agrees with Fujitsu Services' concerns; and/or
- (b) either (a) instructs Fujitsu Services to continue with the development cycle in respect of that Queried Requirement in any event, in which case Post Office shall indemnify Fujitsu Services under Clause 34.3.3, or (b) instructs Fujitsu Services to implement the alternative requirement proposed under Clause 34.5.1(a) in which case such alternative requirement shall form part of the Requirements Baseline;

34.6.3 in the event that Post Office instructs Fujitsu Services to implement the alternative requirement in accordance with Clause 34.5.2(b)(b), Fujitsu Services shall not be able to invoke the process set out in this Clause 34.5 in respect of that alternative requirement at any time after Post Office so instructs Fujitsu Services;

34.6.4 at all times during the process set out in this Clause 34.5, Fujitsu Services shall provide Post Office with such assistance as Post Office may reasonably require in order to understand and assess the risk notified to it and the alternative requirement proposed by Fujitsu Services, provided that the Parties hereby acknowledge that each Party shall be responsible for forming its own assessment of such risk and alternative requirement;

34.6.5 either Party may request, at any time prior to an instruction being given under Clause 34.5.2(b), that the Parties meet to discuss a risk notified, or an alternative requirement proposed, to Post Office by Fujitsu Services in accordance with this Clause and to agree in good faith a course of action which is mutually beneficial to the Parties. If the Parties are unable to agree on the relevant risk and either Post Office does not give Fujitsu Services an instruction under Clause 34.5.2(b) and/or the Parties are unable to agree the suitability of the alternative requirement proposed, then the matter shall be escalated in accordance with the DRP set out in Annex 2 of Schedule A2 (Governance), up to and including the stage set out at paragraph 3 of such Annex (Executive Review), provided that references in that Annex to "five Working Days" shall be read as "two Working Days" for the purposes of this Clause;

CONFIDENTIAL

34.6.6 if, following the earlier of (i) the escalation of the matter and completion of the process set out in Clause 34.5.5; or (ii) the date falling ten Working Days after the date upon which the matter was first escalated in accordance with Clause 34.5.5, the Parties are not able to agree on the risk or the suitability of the alternative requirement proposed and Post Office fails to instruct Fujitsu Services to continue with the development cycle in respect of that Queried Requirement, then Fujitsu Services shall:

- (a) be entitled to reject that Queried Requirement (such rejected Queried Requirement being a "Rejected Requirement"), provided that in the event that Fujitsu Services disagrees with any advice and guidance of a Facilitator obtained as part of the escalation process, it shall provide Post Office with a reasonably detailed statement of its reasons for doing so; and
- (b) achieve the relevant Development Obligation for such Rejected Requirement; and

34.6.7 in the event that Fujitsu Services rejects a Queried Requirement pursuant to this Clause 34.5 and Fujitsu Services would, if it had complied with Clause 34.4, have known about the risk relating to that Rejected Requirement earlier than the date on which it actually became aware of that risk and notified the Post Office pursuant to Clause 34.5.1, then Fujitsu Services shall refund to Post Office any Charges paid or payable by Post Office in respect of development work undertaken by or on behalf of Fujitsu Services in relation to that Rejected Requirement in that intervening period (but excluding any Charges in respect of development work which Fujitsu Services is able to demonstrate to the reasonable satisfaction of Post Office is of continued use and benefit to Post Office).

34.7 The indemnities set out at Clause 34.3.1 shall not apply to any UI Development Requirement to the extent that (a) Fujitsu Services or a member of the Fujitsu Services Group was engaged by Post Office for the purposes of the development of that UI Development Requirement and contributed to that UI Development Requirement and (b) such contribution resulted in the infringement or alleged infringement referred to in Clause 34.3.1.

34.8 In the event that, pursuant to Clause 34.5, Fujitsu Services rejects a Queried Requirement in respect of which (a) Fujitsu Services or a member of the Fujitsu Services Group was engaged by Post Office for the purposes of the development of such Queried Requirement and (b) contributed towards such Queried Requirement, then (without prejudice to any other rights or remedies available to Post Office) Fujitsu Services shall refund to Post Office the Charges paid or payable by Post Office in respect of that contribution.

Common Indemnity Provisions

34.9 Each Party shall promptly notify the other if any claim or demand is made or action brought against it to which this Clause 34 applies.

CONFIDENTIAL

34.10 The Party giving an indemnity under this Clause 34 (the "Indemnifying Party") shall, at its own expense, conduct any litigation arising therefrom and all negotiations in connection therewith and the Party receiving the indemnity (the "Indemnified Party") hereby agrees to grant to the Indemnifying Party exclusive control of any such litigation and such negotiations in relation to the indemnified infringement or alleged infringement. The Indemnifying Party shall consult with and pay due regard to the interests (including, where the Post Office is the Indemnified Party, the commercial interests of the Royal Mail Group and the public interest and where Fujitsu Services is the Indemnified Party the commercial interests of the Fujitsu Services Group) and views of the Indemnified Party in the conduct of any defence to any claim or demand hereunder, and shall, where it is reasonable to do so taking into account also the interests of the Indemnifying Party, comply with such interests and views.

34.11 The Indemnified Party shall, at the request of the Indemnifying Party, afford to the Indemnifying Party all reasonable assistance for the purpose of contesting any claim or demand made or action brought against the Indemnified Party to which the indemnity may apply or any claim or demand made or action brought against the Indemnifying Party to which the indemnity may apply. The Indemnifying Party shall reimburse the Indemnified Party for all reasonable costs and expenses (including but not limited to legal costs and disbursements on a solicitor and client basis) incurred in so doing.

34.12 The Indemnified Party shall not make any admissions which may be prejudicial to the defence or settlement of any claim, demand or action for infringement or alleged infringement brought against the Indemnified Party to which the indemnity may apply or any claim or demand made or action brought against the Indemnifying Party to which the indemnity may apply.

34.13 If a claim or demand is made or action brought to which the indemnity may apply or in the reasonable opinion of the Indemnifying Party is likely to be made or brought, the Indemnifying Party may at its own expense either:

34.13.1 modify any or all of the affected documents, software, materials, items or other things whatsoever without reducing the performance and functionality of the same, or substitute alternative items, products or services of equivalent performance and functionality for any or all of the documents, software, materials, items or other things whatsoever, so as to avoid the infringement or the alleged infringement but without disrupting the performance of the Services, provided that the terms herein shall apply *mutatis mutandis* to such modified or substituted items or services and such modified or substituted items shall be acceptable to the Indemnified Party (whether by passing any form of acceptance testing or otherwise), such acceptance not to be unreasonably withheld or delayed, and shall reimburse the Indemnified Party all reasonable costs directly incurred by it; or

34.13.2 procure a licence to use the affected documents, software, materials, items or other things whatsoever on terms which afford to the Indemnified Party no more extensive rights than those originally applicable hereunder and which are acceptable to the Indemnified Party and shall reimburse the Indemnified Party all reasonable costs directly incurred by it.

CONFIDENTIAL

34.14 Notwithstanding anything to the contrary in this Clause 34:

34.14.1 to the extent that any actual or alleged infringement, to which this Clause 34 applies, relates to the development by Fujitsu Services under this Agreement of the HNG-X Service Infrastructure or the Business Capabilities and Support Facilities and does not result from (i) a breach by Fujitsu Services of the Clean Room Rules or paragraph 4.2 of Annex 2 to Schedule B6.2 (ii) a failure by Fujitsu Services to comply with Clause 15.1.5, or (iii) a breach by Fujitsu Services of Clause 34.4; and

34.14.2 provided that the HNG-X Development Completion has not occurred at the time of the claim, demand or action in respect of such infringement,

the costs of undertaking any modification or substitution or procuring a licence that may be made or obtained pursuant to Clause 34.12 shall be treated as a normal cost of development and Post Office shall pay Fujitsu Services:

- (a) for such modification work on a time cost basis, subject to and in accordance with the provisions of Schedule D8; and
- (b) in respect of any such substitution or licence, an amount equivalent to Fujitsu Services' cost of the product used as a substitute and/or of the necessary licence, multiplied by 95 and divided by 100.

34.15 The indemnities set out in this Clause 34 (other than where Clause 34.3.1(b) applies) shall not apply insofar as any such claim or demand or action is in respect of:

34.15.1 any use by or on behalf of the Indemnified Party of the affected documents, software, materials, items or other things whatsoever in combination with any item not supplied or approved (such approval not to be unreasonably withheld or delayed) by the Indemnifying Party where such combined use directly gives rise to the claim, demand or action; or

34.15.2 any modification carried out by or on behalf of the Indemnified Party to any item supplied by the Indemnifying Party under this Agreement if such modification is not authorised by the Indemnifying Party in writing; or

34.15.3 any use by the Indemnified Party of the affected documents, software, materials, items or other things whatsoever in a manner not reasonably to be inferred from their specification (if any) or the requirements of the Indemnified Party (including, without limitation, where Post Office is the Indemnified Party, the Requirements Baseline).

34.16 If the Indemnifying Party has availed itself of its rights to modify the affected documents, software, materials, items or other things whatsoever or to supply substitute products or services pursuant to Clause 34.12.1 or to procure a licence under Clause 34.12.2 and such exercise of the said rights has avoided any claim, demand or action for infringement or alleged infringement, or if the Indemnified Party has unreasonably withheld its acceptance of any items modified or substituted by the Indemnifying Party in accordance with Clause 34.12, then the Indemnifying Party shall

CONFIDENTIAL

have no further liability thereafter under this Clause 34 in respect of the said claim, demand or action.

34.17 If a modification or substitution in accordance with Clause 34.12.1 is not possible so as to avoid the infringement and the Indemnifying Party has been unable to procure a licence in accordance with Clause 34.12.2, then Clause 34.1 or Clause 34.3 (as the case may be) shall apply.

34.18 This Clause states the entire liability of:

34.18.1 Fujitsu Services with regard to the infringement of any Intellectual Property Right by the use or possession of the things listed in Clause 34.1 by or on behalf of Post Office or in connection with the Services;

34.18.2 Post Office with regard to the infringement of any Intellectual Property Right by the use or possession of the things listed in Clause 34.3 by or on behalf of Fujitsu Services; and

34.17.3 each Party with regard to the unauthorised use of any Third Party Confidential Information by or on behalf of the other Party after the Project HNG-X Commencement Date.

35. Use Of Services and Infrastructure

35.2 Fujitsu Services shall not restrict Post Office from using the Services and the Infrastructure for its existing and future clients, Agents, customers, products and services.

35.3 Except as contemplated by this Agreement and subject to Clause 35.3, the Infrastructure (other than any public service telecommunications networks) may not be used other than by Post Office without the prior written consent of Post Office.

35.4 Post Office acknowledges and agrees that the HNG-X Services will be performed by Fujitsu Services using certain facilities and/or elements of the Infrastructure, as described in the Solution Architecture and/or the Solution Baseline and listed from time to time in the Asset Register, that will be shared with customers of Fujitsu Services other than the Post Office.

36.3.2 where damage occurs to hardware used by Fujitsu Services to provide the Services, Fujitsu Services shall repair or replace the affected items with all possible speed and (subject to any rights arising under Clause 36.1) at its own cost.

36.4 Paypoles and PIN Pads

36.4.1 The risk of loss of or damage to each Paypole shall pass from Fujitsu Services to Post Office upon delivery of that Paypole to Post Office.

36.4.2 Post Office shall be liable for the costs (including, without limitation, service call costs) of any damage to, loss or theft of PIN Pads to the extent caused by or contributed to by Post Office's employees, contractors, agents (including, without limitation, its Agents) and, where the damage, loss or theft occurs at any site where PIN Pads are installed, by the public.

Such replacement or repair shall be charged for on the basis of the actual costs (including, without limitation, service call costs) required for the replacement or repair (including, without limitation, a 10% Fujitsu Services margin in respect of those bought in elements of that cost).
- 36.6.5 Fujitsu Services shall not be liable for and the Post Office shall have no remedy in respect of any failure or delay in the performance of Fujitsu Services' obligations under this Agreement (including, without limitation, the consequences of such failure or delay) where such failure and/or delay arises from damage to, loss of or theft of PostShop Branch Infrastructure for which the Post Office is liable as described in Clause 36.5.3 (including, without limitation, the time taken for repair or replacement).

37. Damage to Plant, Tackle and Tools

- 37.2 All plant, tackle and tools at the Post Office Premises provided by or on behalf of Fujitsu Services shall be at the risk of and in the sole charge of Fujitsu Services.

39. Post Office Responsibilities

39.2 Subject to paragraph 2.3 of Schedule A5, Post Office undertakes (at its own cost and expense save where otherwise provided in or pursuant to this Agreement) to perform the Post Office Responsibilities. Post Office shall use all reasonable endeavours to perform such Post Office Responsibilities in a timely fashion or, where specified, in accordance with the HNG-X Programme Plan or any other agreed timetable specified in this Agreement.

39.3 Without limitation to Clause 39.1, Post Office shall use all reasonable endeavours to ensure that its Agents co-operate with Fujitsu Services to the extent reasonably necessary to permit Fujitsu Services to perform the Services. In the event that any Agent fails to provide such co-operation, and Post Office is unable to secure such co-operation within six months after receiving written notice thereof from Fujitsu Services, Fujitsu Services shall be relieved of liability for any failure or delay to perform the Services which is directly caused by the Agent's failure to provide such co-operation and shall be entitled to any reasonable additional costs and expenses which Fujitsu Services can show were directly incurred by it as a result of the Agent's failure to provide such co-operation.

39.4 Without prejudice to the provisions of paragraph 13 of Schedule B6.2 or Schedule A5, Fujitsu Services shall not be liable to Post Office for any failure to perform or delay in performing its obligations under this Agreement where Fujitsu Services proves that such failure or delay has been directly caused by the failure of Post Office to perform any of the Post Office Responsibilities.

This Clause 39.3 shall not apply in the circumstances to which Clause 43.6 applies, which shall be governed by the specific rule stated in Clause 43.6.

40. Fujitsu Services' Personnel

40.3 If and when directed by Post Office, Fujitsu Services shall provide a list of the names and addresses of all persons who it is expected may require admission in connection with the performance of this Agreement to any premises occupied by or on behalf any member of the Royal Mail Group or to any Branch, specifying the capacities in which they are concerned with this Agreement and giving such other particulars as Post Office may reasonably require. - 40.6 The decision of Post Office as to whether any person is to be refused admission to any premises occupied by or on behalf of the Royal Mail Group or to a Branch shall be final and conclusive.

41. **Fujitsu Services' Key Personnel**

- 41.2 The Parties acknowledge that the Key Personnel are essential to the fulfilment of Fujitsu Services' obligations hereunder.
- 41.3 Notwithstanding anything to the contrary in Clause 61, Post Office shall keep the CCD entitled "Fujitsu Services Key Personnel" (HR/CON/001) (including any proposed or agreed amendments to it) and the information contained in it ("Personnel Information") confidential. Except as provided for in this Clause 41.2, Post Office shall not copy, reproduce or disclose Personnel Information to any third party.

41.3.1 Post Office may reproduce, copy and disclose Personnel Information:

provided that Post Office shall procure that the persons referred to in paragraphs (a) and (b) above shall not themselves disclose Personnel Information (except amongst themselves) without the express written consent of Fujitsu Services.

- 41.3.2 Post Office may discuss Personnel Information with and disclose Personnel Information to FS Listed Personnel.
- 41.4 Fujitsu Services undertakes to use all reasonable endeavours to ensure that the Key Personnel are not removed or replaced for the duration of the activities relevant to them (described as "Tasks" in the CCD entitled "Fujitsu Services Key Personnel" (HR/CON/001)). However, in the event that any of the Key Personnel become unavailable for any reason (including without limitation death, injury, sickness, promotion or resignation), Fujitsu Services shall have the right upon giving 30 days' notice in writing (or such shorter period of notice as may be reasonably practicable) to

Post Office to replace such an individual with another individual whose abilities and qualifications are appropriate for the services to be performed by such individual.

41.5 The Parties acknowledge and agree that in order for Fujitsu Services to successfully complete its obligations under this Agreement, additional key personnel may be identified after the date of this Agreement. The Parties shall identify and agree any such additional key personnel (together with any activities which are relevant to them).

42. Injury to Persons; Loss of Property

42.2 Subject always to Post Office's proper observance of its obligations under this Clause 42 and except where paragraphs 5.2 or 6.3.3 of Schedule B1.3 apply, Fujitsu Services shall fully indemnify Post Office in respect of any personal injury or loss of or damage to Property incurred by Post Office, its contractors or their respective employees and authorised agents to the extent that such personal injury or loss of Property is caused by any Default of Fujitsu Services, its employees or agents in connection with the performance or purported performance of this Agreement.

42.3 In the event of any claim or demand being made or action brought to which Clause 42.1 applies, Fujitsu Services shall be promptly notified thereof and Fujitsu Services shall at its own expense conduct all negotiations for settlement of the same and any legal proceedings that may arise therefrom. Fujitsu Services shall consult with and pay due regard to the interests and views of Post Office (including the commercial interests of the Royal Mail Group and the public interest) in the conduct of any defence to any claim or demand hereunder, and shall, where it is reasonable to do so, comply with such interests and views. Post Office, its employees and agents, shall at the request of Fujitsu Services afford all reasonable assistance for the purpose of contesting any such claim or demand or action and shall be repaid any reasonable expense incurred in so doing and shall not make any admissions which may be prejudicial to the defence of such claim or demand or action.

42.4 Notwithstanding Clause 42.2, Post Office shall have the option to take over the conduct over any claim, demand or action to which this Clause applies. Should Post Office exercise the aforementioned option it shall indemnify Fujitsu Services against any loss, damage, cost or expense which it incurs in respect of that claim, demand or action over and above the monetary amount (which Fujitsu Services shall have notified to Post Office prior to Post Office exercising its option) at which Fujitsu Services was prepared to settle said claim, demand or action.

43. Liability

43.2 Subject to the remaining sub-clauses of this Clause 43, Fujitsu Services shall be liable for all losses and shall indemnify Post Office against all costs, expenses, losses and damages incurred, including any legal costs (together referred to in this Clause 43 only as "Losses"), as a result of:

43.3 In the event of termination of Project HNG-X:

43.2.1 for convenience pursuant to Clause 47.11.2, the provisions of Clause 43.1 shall continue to apply. In such circumstances, prior to the later of the date of such termination of Project HNG-X or 1 April 2010, Fujitsu Services shall implement the upgrade of the Horizon Service Infrastructure in accordance with the provisions of the CCD entitled "Horizon Security in the Absence of HNG-X" (ARC/SEC/ARC/0002) and Post Office shall pay for such upgrade in accordance with paragraphs 10.4 to 10.8 (inclusive) of Schedule D1 (the details of which in respect of such upgrade shall be incorporated in a Work Order); and

43.5 In the event of Partial Termination for any reason of any of the Terminable Services referred to in Clause 43.3 Fujitsu Services shall promptly provide to Post Office all correspondence, audit trails, documentation and other information (in whatever media) as Post Office may reasonably require in order to establish the cause of any of the matters referred to in sub-clauses 43.1.1 to 43.1.4 (inclusive).

43.6 In the event of Partial Termination for any reason of any Terminable Service the provisions of Clause 43.1 shall continue to apply subject to Clause 43.3 and any exceptions or qualifications agreed by the Parties pursuant to paragraph 2.2.6 of Schedule E.

43.7 If and to the extent that Fujitsu Services proves that any of the matters referred to in Clause 43.1 have been caused by Post Office's non-performance of any of its obligations or responsibilities under this Agreement upon the performance of which Fujitsu Services' obligations depend, the provisions of Clause 43.1 shall not apply.

43.8 In the event that:

CONFIDENTIAL

43.8.1 Post Office agrees pursuant to paragraph 2.2.4 of Schedule E to perform any security related obligations or responsibilities; or

43.10 In the case of the Banking Functions or in relation to the operation of the Banking Functions, Clause 43.1.4 shall not apply unless the fraud in question was perpetrated by a person who was at the time in question:

43.10.1 an employee, agent or sub-contractor of Fujitsu Services (such agents or subcontractors being together referred to as "Current Banking Participants");

43.10.2 a former employee, agent or sub-contractor of Fujitsu Services, who was an employee, agent or sub-contractor (as the case may be) of Fujitsu Services at any time on or after 14 April 2001 (such agents or subcontractors being together referred to as "Former Banking Participants") and who satisfies the Information Condition;

43.10.3 an employee, agent or sub-contractor of the Current Banking Participants who satisfies the Information Condition;

43.10.5 a former employee, agent or sub-contractor of a Former Banking Participant who was an employee, agent or sub-contractor (as the case may be) of such Former Banking Participant while that Former Banking Participant was a Current Banking Participant and who satisfies the Information Condition.

43.11.1 where the Losses incurred by Post Office relate solely to the Banking Function or the operation of Banking Function;

CONFIDENTIAL

43.11.2 where such Losses were incurred as a result of any unauthorised access or hacking referred to therein into an element or elements (used solely for the operation of the Banking Functions) of either the Post Office Service Architecture or the NB System (excluding elements of the Post Office Service Architecture or the NB System located at Branches);

43.11.3 where the unauthorised access, hacking or fraud was perpetrated through or by any employee, agent, contractor or sub-contractor of, any Bank or through or by any element of the Infrastructure at any Bank premises other than by the persons referred to in Clause 43.9;

43.11.4 where such Losses were incurred as a result of any unauthorised access or hacking or fraud arising as a result of Post Office's design, development and/or introduction of new Transaction types using the AP-ADC Facility, or the APOP Facility, or any fraud perpetrated by Post Office contractors, subcontractors, employees or agents in connection with such design, development, introduction or use unless the root cause of such unauthorised access, hacking or fraud was:

- (a) defects in Fujitsu Services' design or implementation of the AP-ADC Facility or the APOP Facility;
- (b) a failure by Fujitsu Services to maintain the AP-ADC Facility or the APOP Facility or to process such new Transactions, in accordance with its obligations set out in this Agreement; or
- (c) a defect in such design, development, introduction or use resulting from an error in the CCD entitled "AP-ADC Reference Manual" (AP/MAN/002) or the CCD entitled " APOP Authorisation Service Reference Manual" (AP/MAN/004); the presence of which is solely or mainly attributable to a breach by Fujitsu Services of its obligations set out in Clauses 15.1.4 and 15.1.5 when it assisted Post Office to produce that CCD under Work Order;

43.11.5 where the unauthorised access, hacking or fraud was perpetrated through or by use of the communications links between the Data Centres and CAPO or LINK (as described in Schedule B3.3 or B4.3, as applicable) other than by persons referred to in Clause 43.9, unless the root cause of such unauthorised access, hacking or fraud was a failure by Fujitsu Services to comply with its obligations set out in paragraphs 1.3.4(f)(i)(1) and 1.3.4(f)(i)(2) of Schedule B3.3 or paragraphs 3.4.1 and 3.4.2 of Schedule B4.3, as applicable;

CONFIDENTIAL

43.12 Post Office shall not have any right of action against Fujitsu Services in respect of any costs, expenses, losses or damages arising as a result of the loss, theft or compromise of a password/passphrase shared between the Merchant Acquirer and the Data Centres or the subsequent use of such password/passphrase (as the case may be) except to the extent that such loss, theft or compromise or such costs, expenses, losses, or damages arise as a result of the fraud or Default of Fujitsu Services or of its employees, agents or subcontractors.

43.13 In this Clause 43, the "Information Condition" means that the person concerned either:

43.13.1 is or has been entitled to have access in the course of fulfilling their duties or obligations as employee, agent or sub-contractor (as the case may be) to information concerning the design or performance of security measures used by or in the NB System; or

43.13.2 is not or was not entitled to have access to information concerning the design or performance of security measures used by or in the NB System, but:

43.15 In the case of Banking Functions, Debit Card and ETU, Fujitsu Services shall not be liable for any costs, expenses, losses or damages suffered or incurred by Post Office in relation to:

43.15.1 Banking Transactions falsely or incorrectly authorised unless and to the extent caused by a failure of the NB System or of the Banking Functions which is (in either case) a Default;

43.15.2 DC Transactions or ETU Transactions falsely or incorrectly authorised unless and to the extent caused by a failure of Debit Card or ETU respectively which is a Default; and

CONFIDENTIAL

43.15.3 fraudulent use of token supported by the Banking Functions, Debit Card or ETU by any person, unless and to the extent that such use is carried out by or involves collusion with Fujitsu Services' employees, or otherwise arises from a Default or fraud of Fujitsu Services.

43.16 If Post Office:

43.16.1 accepted a Design Proposal (as that term was defined and used in this Agreement in its form prior to CCN1200); or

43.16.2 accepts in a specification or other document agreed by the Parties pursuant to the Work Ordering Procedure or Change Control Procedure,

which included or includes a third party interface or third party application which was either not selected by Fujitsu Services or was selected by Fujitsu Services subject to clearly disclosed limitations notified to Post Office, Fujitsu Services shall not, under Clause 43.1, be liable for or indemnify Post Office against any Losses incurred by Post Office resulting from unauthorised access to the Infrastructure, "hacking" and other fraudulent and criminal activities provided Fujitsu Services has operated such interfaces or applications in accordance with the technical and operational specifications agreed between Post Office and Fujitsu Services in respect of such interfaces or applications and has exercised reasonable care and skill in implementing such interfaces and carrying out the integration of such applications.

not selected by Fujitsu Services and included in a Design Proposal accepted by Post Office.

43.18 In relation to data processing (involving either automated or manual processing or both) under this Agreement, Fujitsu Services shall not be in breach and shall not be liable to Post Office for any failure to perform its obligations, or delay in performing such obligations, to the extent it can demonstrate to Post Office's satisfaction (Post Office acting reasonably) that such failure or delay occurred as a result of a Design Limit being exceeded.

43.19 Fujitsu Services shall not be liable for any failure to perform or delay in performing its obligations and Post Office shall have no right of action against Fujitsu Services in respect of any costs, expenses, losses or damages arising as a result of:

43.19.1 any fault or problem with, or the unavailability of, the communications links between the Data Centres and CAPO or LINK (as described in Schedule B3.3 or B4.3, as applicable), subject to Fujitsu Services complying with its

CONFIDENTIAL

obligations set out in paragraphs 1.3.4(f)(i)(1) and 1.3.4(f)(i)(2) of Schedule B3.3 or paragraphs 3.4.1 and 3.4.2 of Schedule B4.3, as applicable; or

43.19.3 any fault or problem with Configured POL FS or the SAP Loading Applications related to their configuration by Post Office or a third party on behalf of Post Office;

43.19.6 any failure by any Branch to accept or implement any Transaction Correction Record,

save to the extent that a failure by Fujitsu Services to perform any of its obligations (such failure not itself arising as a result of the matters referred to in Clauses 43.18.1 to 43.18.6 inclusive) directly caused such costs, expenses, losses or damages.

43.20 Fujitsu Services shall provide to Post Office copies of or access to all relevant records produced by Fujitsu Services in the course of performing the HNG-X Services (such records to include, where produced by Fujitsu Services, operational change proposals, help desk records, release notes, change logs, firewall logs, event records, error logs and audit records) that Post Office reasonably requires in order to establish the cause of any failure to perform or delay in performing Fujitsu Services' obligations, where Fujitsu Services asserts that Clauses 43.18.1 or 43.18.2 are applicable in respect of such failure or delay. All information obtained by Post Office pursuant to this Clause 43.19 shall be treated as Confidential Information.

43.21 In the case of the PostShop Solution Fujitsu Services shall not be liable for any costs, expenses, losses or damages suffered or incurred by Post Office in relation to fraudulent activities concerning PostShop Solution EPOS terminal cash handling and/or reconciliation activities to be conducted by Post Office employees, agents (including, without limitation, Agents), and/or contractors (or employees, agents or contractors of the same).

44.2 Neither Party hereto excludes or limits its liability to the other Party:

44.2.1 for death or personal injury; or

44.2.2 any breach of any obligations implied by Section 12 of the Sale of Goods Act
1979 or Section 2 of the Supply of Goods and Services Act 1982; or

44.2.3 for its fraudulent misrepresentation; or

44.2.4 for its fraud or for fraud for which it is responsible, save (in the case of Fujitsu
Services) where the liability in question would not have arisen but for the
provisions of Clauses 16 or 43.

44.3 Subject always to Clause 44.1, 44.3, 44.4, 44.4A and 44.4B, the liability of each Party

44.4 Subject to Clause 44.1 and to the extent permitted at law, the aggregate liability of Fujitsu Services under Clauses 16 and 43 of this Agreement for the fraud or other criminal activities of its employees or subcontractors shall be limited to £16,783,827 per Fraud Event.

44.5 Subject to Clauses 44.4A, 44.4B and 44.5, the financial limits specified in Clause 44.2.2 and 44.2.3 shall apply to, and limit the Parties' respective liability for, the aggregate of all claims for monetary relief arising in the period in question which either Party may have against the other either under this Agreement, in tort (including negligence), breach of statutory duty or otherwise in relation to the subject matter of this Agreement, including, without limitation, all claims arising for Defaults, all claims for liquidated damages and Post Office Additional Cost pursuant to Clause 18, Schedule B4.4, Schedule C1 and/or the provisions of the Service Descriptions, all claims to be indemnified pursuant to Clauses 34, 42 or 43 and all other claims or costs which are compensatable in money or money's worth as though all such claims for monetary relief represented liability for Defaults occurring in the period in question.

44.4A For the purposes of Clauses 44.2 and 44.4,

a liability or claim for monetary relief arises when the act, omission, event or circumstance giving rise to that liability or claim occurs; and

44.4B Notwithstanding that Clause 44.2 is stated to be subject to Clause 44.4, Clause 44.4 shall not limit:

44.4B.1 liability of the type referred to in Clauses 44.1;

44.4B.2 liability for Defaults governed by 44.2.1, 44.2.4 or 44.2.5; or

44.4B.3 liability governed by Clause 44.3.

44.6 The financial limits on the liability of Post Office under Clause 44.2 shall be exclusive of and additional to any liability of Post Office to pay any Charges, other amounts, the Transfer Payment, the Termination Charge, any Partial Termination Charge or the HNG-X Termination Charge which may become properly due and payable to Fujitsu Services in accordance with the provisions hereof or any sum by way of interest thereon that a court may award.

44.7 Subject always to Clause 44.1, in no event shall either Party be liable to the other Party for indirect or consequential loss or damage. For the avoidance of doubt, this Clause 44.6 shall not be deemed or construed to limit or exclude Fujitsu Services' liability under Clause 43.

CONFIDENTIAL

- 44.8 The provisions of Clause 44.6 shall not be taken as limiting the right of Post Office to claim from Fujitsu Services for:
 - 44.8.1 additional operational and administrative costs and expenses; and/or
 - 44.8.2 expenditure or charges rendered unnecessary as a result of any Default by Fujitsu Services.
- 44.9 The Parties expressly agree that should any limitation or provision contained in this Clause be held to be invalid under any applicable statute or rule of law it shall to that extent be deemed omitted but if any Party thereby becomes liable for loss or damage which would otherwise have been excluded such liability shall be subject to the other limitations and provisions set out herein.
- 44.10 For the avoidance of doubt, it is acknowledged that nothing in this Agreement shall be deemed or construed to relieve either Party of its common law duty to the other Party against which a claim may be made to mitigate any loss which is the subject of such claim.
- 44.11 Subject to Clause 44.1, the aggregate liability of Fujitsu Services under the SAP RTU (including, without limitation, under any indemnity therein) arising in any Financial Year shall not exceed £1,500,000. Fujitsu Services' liabilities (if any) under the SAP RTU, as limited by this Clause 44.10, shall count as part of Fujitsu Services' aggregate liability under Clause 44.2.3.
- 44.12 The liability of Fujitsu Services in connection with the SAP RTU is as set out in Clause 44.10 and paragraph 22 of the SAP RTU. In the event and only to the extent of any conflict between: (i) Clauses 44.10 and paragraph 22 of the SAP RTU; and (ii) any other Clause, then Clause 44.10 and paragraph 22 of the SAP RTU shall prevail.
- 44.13 Each of the sums referred to in Clauses 44.2.2, 44.2.3(a)(3), 44.3 and 44.10 shall be increased at the end of the Financial Year ending on or around 31 March, 2007 and at the end of each subsequent Financial Year by an amount equal to the difference (expressed as a percentage) between the level of the Retail Price Index most recently published in respect of December of the Financial Year in question and the level of the Retail Price Index in December of the preceding Financial Year.

45. **Insurance**

Fujitsu Services shall to the extent reasonably possible insure or make provision for self-insurance against all losses and damages which are the result of its fault or negligence in performing the Services, including workman's compensation, public liability, product liability, property damage and professional indemnity. Fujitsu Services will, if requested in writing by Post Office, produce to Post Office a certificate of insurance showing the applicable coverage currently in force, and will also give Post Office prior written notice of (where possible), or written notice no later than 30 days after, alteration or cancellation of such insurance.

PART G: TERMINATION AND EXIT

46. Term

46.2 The term of this Agreement shall, unless terminated earlier in accordance with the provisions of Clause 47 or extended in accordance with the provisions of Clause 46.2, be for a period commencing on the 28 July 1999 and ending on 31 March 2015.

46.3 If Post Office wishes to extend the term of this Agreement, it shall notify Fujitsu Services in writing at least 18 months before the expiry of this Agreement, and the Parties shall meet within 20 Working Days of receipt of such notice and shall use their reasonable endeavours to agree an extension to the term of this Agreement.

47. Termination

Termination of whole Agreement

47.2 Post Office may at any time by notice in writing terminate this Agreement with effect from the date of service of such notice or such later date as may be specified therein if:

47.2.1 there is a change of control, as defined by Section 416 of the Income and Corporation Taxes Act 1988, in Fujitsu Services or the Guarantor; or

47.2.2 Fujitsu Services or the Guarantor, being an individual, or where Fujitsu Services or the Guarantor is a firm, any partner or partners in that firm who together are able to exercise direct or indirect control, as defined by Section 416 of the Income and Corporation Taxes Act 1988, shall at any time become bankrupt or shall have a receiving order or administration order made against him or shall make any composition or arrangement with or for the benefit of his creditors, or shall make any conveyance or assignment for the benefit of his creditors, or shall purport to do so, or appears unable to pay or to have no reasonable prospect of being able to pay a debt within the meaning of Section 268 of the Insolvency Act 1986 or he shall become apparently insolvent within the meaning of the Bankruptcy (Scotland) Act 1985 as amended by the Bankruptcy (Scotland) Act 1993 or any application shall be made under any bankruptcy or insolvency act for the time being in force for sequestration of his estate, or a trust deed shall be granted by him for the benefit of his creditors; or any similar event occurs under the law of any other jurisdiction; or

47.2.3 Fujitsu Services or the Guarantor, being a company, passes a resolution, or the Court makes an order that Fujitsu Services or the Guarantor be wound up otherwise than for the purpose of a bona fide reconstruction or amalgamation, or a receiver, manager or administrator on behalf of a creditor is appointed in respect of the business or any part thereof (which for the avoidance of doubt shall not include any subsidiary company of Fujitsu Services or of the Guarantor) of Fujitsu Services or the Guarantor, or circumstances arise which entitle the Court or a creditor to appoint a receiver, manager or administrator or which entitle the Court otherwise than for the purpose of a bona fide reconstruction or amalgamation to make a winding-up order, or Fujitsu Services or the Guarantor is unable to pay its debts within the meaning of Section 123 of

CONFIDENTIAL

the Insolvency Act 1986 or any similar event occurs under the law of any other jurisdiction; or

47.2.4 any provision hereof other than Clause 47 expressly entitles Post Office to terminate this Agreement; or

47.2.5 the circumstances in Clause 60.5 arise and either the obligation in question is not capable of being performed again, or, if it is so capable, is not so performed again within 30 days of written notice to Fujitsu Services specifying the obligation in question and requiring it to be performed or within such other period as may be requested by Fujitsu Services and agreed by Post Office, such agreement not to be unreasonably withheld or delayed.

47.3 Post Office may at any time by notice in writing terminate this Agreement with effect from the date of service of such notice or such later date as may be specified therein, if Fujitsu Services is in material or persistent Default of any obligation under this Agreement (other than a Default that gives the Post Office a right under Clause 47.11 to terminate Project HNG-X only) and:

47.3.1 such Default is capable of remedy and Fujitsu Services shall have failed to remedy the Default within 30 days of written notice to Fujitsu Services specifying the Default and requiring its remedy or within such other period as may be requested by Fujitsu Services and agreed by Post Office, such agreement not to be unreasonably withheld or delayed; or

47.3.2 such Default is not capable of remedy (and for the purposes of this Clause 47.2, failure to comply with a timescale shall not of itself be considered a Default not capable of remedy).

47.4 In the event that Project HNG-X is lawfully terminated by Post Office pursuant to Clause 47.11.1, Post Office may at any time following such termination serve a notice in writing on Fujitsu Services, following which Post Office shall have the right to terminate this Agreement on at least six months' notice, provided that in exercising such right Post Office will not be able to terminate this Agreement prior to 1 April 2010.

47.5 Fujitsu Services may at any time by notice in writing to Post Office terminate this Agreement with effect from the date of service of such notice or such later date as may be specified therein, in the event of the material or persistent failure by Post Office to pay Charges which have not been disputed by Post Office and Post Office shall have failed to remedy such failure to pay within 30 days of written notice to Post Office specifying such failure to pay and requiring its remedy or within such other period as may be requested by Post Office and agreed by Fujitsu Services, such agreement not to be unreasonably withheld or delayed.

47.6 In the event of any termination of this Agreement pursuant to Clause 47.1, Clause 47.2, Clause 47.4, Clause 47.7 or termination of a Terminable Service pursuant to Clause 47.10, Post Office shall return the Infrastructure or any part thereof (other than any part (a) in relation to which it has exercised the option to acquire under Clause 48 and (b) (in the event of Partial Termination of a Terminable Service) that is required for continuing Services or for a Next Supplier), in which case Fujitsu Services shall at no

additional cost to Post Office, remove such parts of the Infrastructure as soon as reasonably practicable and shall make good any damage to the Post Office Premises occasioned by such removal.

- 47.7 Post Office shall only be permitted to exercise its rights pursuant to Clause 47.1.1 for three months after each such change of control and shall not be permitted to exercise such rights where Post Office has agreed in advance in writing to the particular change of control and such change of control takes place as proposed. Fujitsu Services shall notify Post Office in advance of any change of control taking place, if legally possible, or if not so possible as soon as reasonably practicable, and in any event no later than one month after such change of control taking place.
- 47.8 Post Office may terminate this Agreement by giving Fujitsu Services not less than twelve months' notice. In the event of such notice being given, Post Office shall on termination hereof pay to Fujitsu Services the Termination Charge calculated in accordance with Schedule E.
- 47.9 Termination shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to either Party.
- 47.10 The provisions of Clauses 10.1.2, 25, 27, 31 (to the extent applicable in respect of the Transfer Services), 33.2, 34, 39.3, 43, 44, 47, 48, 50, 53, 56, 57, 59, 61, 62, 65, 67, 68, 69, 70, 71, 72, the provisions of Schedules 1, D1, D5 and E, paragraphs 2.2.3.4 and 2.4 of Schedule B4.1 and paragraph 3.4 of Schedule D3 shall survive the termination of this Agreement by Post Office or Fujitsu Services or the expiry of this Agreement.

Partial Termination

- 47.11 Post Office may in the manner and in the circumstances set out in this Clause 47.10 terminate the provision of one or more Terminable Services.

47.11.1 Market Testing

If entitled to terminate a Terminable Service under paragraph 4.3.3(b)(ii) of Schedule D6, Post Office may, by giving Fujitsu Services not less than six months' notice in writing, terminate that Terminable Service.

47.11.2 Convenience

- (a) Post Office may terminate the provision of any Terminable Service on or after the earliest date for termination or occurrence of the event required for termination of that Service specified in Annex 1 to Schedule E by giving Fujitsu Services not less than twelve months' notice in writing. In the event such notice is given, a Partial Termination Charge shall be paid by Post Office to Fujitsu Services upon such Partial Termination.
- (b) Post Office may terminate the provision of the CMT Service by giving Fujitsu Services not less than one month's notice in writing. No termination or compensation charge shall be payable to Fujitsu Services

in the event of such termination and the provisions of Schedules D6 and E shall not apply in respect of the CMT Service.

- (c) Post Office may terminate the provision of the PostShop Service by giving Fujitsu Services not less than twelve months' notice in writing. No termination or compensation charge shall be payable to Fujitsu Services in the event of such termination and the provisions of Schedules D6 and E shall not apply in respect of the PostShop Service.
- (d) Unless the Parties agree otherwise in the relevant CCN:
 - (i) Post Office may terminate the provision of any Service Integration Service or Third Party Management Service introduced under the Change Control Procedure after the date of signature of CCN1200 by giving not less than twelve months' notice in writing; and
 - (ii) no termination or compensation charge shall be payable to Fujitsu Services in the event of such termination and the provisions of Schedules D6 and E shall not apply in respect of any such Service Integration Service or Third Party Management Service.

Termination of Project HNG-X

47.12 At any time prior to HNG-X Initial Acceptance, Post Office may terminate Project HNG-X:

47.12.1 by notice in writing, with effect from seven days after service of such notice or such later date as may be specified therein, if Fujitsu Services is in material Default of any obligation under this Agreement in relation to Project HNG-X (and for the purposes of this Clause 47.11.1 only, "material Default" includes any persistent Default which by reason of its persistence has become material) and:

- (a) such Default is capable of remedy and Fujitsu Services shall have failed to remedy the Default within 30 days of written notice to Fujitsu Services (i) specifying that it is given pursuant to this Clause 47.11.1(a), (ii) giving details of the Default and why it is considered to be material and (iii) requiring its remedy, or within such other period as may be requested by Fujitsu Services and agreed by Post Office, such agreement not to be unreasonably withheld or delayed; or
- (b) such Default is not capable of remedy (and for the purposes of this Clause 47.11.1, failure to comply with a timescale shall not of itself be considered a Default not capable of remedy) and Post Office shall have given written notice to Fujitsu Services (i) specifying that it is given pursuant to this Clause 47.11.1(b) and (ii) giving details of the Default and why it is considered to be material;

CONFIDENTIAL

47.12.2 by notice in writing, specifying that it is given under this Clause 47.11.2, with effect from 30 days from the service of such notice. In the event of notice being given in accordance with this Clause 47.11.2, Post Office shall pay to Fujitsu Services upon termination of Project HNG-X the HNG-X Termination Charge.

47.13 Notwithstanding the termination of Project HNG-X in accordance with Clause 47.11:

47.13.1 the Services shall continue to be provided using the Infrastructure until such time that this Agreement expires in accordance with Clause 46 unless the Agreement is terminated earlier in accordance with the other provisions of this Clause 47; and

47.13.2 the Associated Change Activities shall be implemented in accordance with Clause 6 and any remaining Associated Change Development and hardware and software procurement required for such implementation specified in Schedule B5 shall be paid for by Post Office in accordance with Schedules D7 and D8 (as applicable).

47.14 If Project HNG-X is terminated under:

47.14.1 Clause 47.11.1 or Clause 47.15 (but only as a consequence of the Agreement terminating pursuant to Clauses 47.1 or 47.2), then Fujitsu Services shall at its own cost reinstate the Horizon Applications to those Branches in which the Business Capabilities and Support Facilities have been rolled out; or

47.14.2 Clause 47.11.2 or Clause 47.15 (but only as a consequence of the Agreement terminating pursuant to Clauses 47.4 or 47.7), then Fujitsu Services shall reinstate the Horizon Applications to those Branches in which the Business Capabilities and Support Facilities have been rolled out. Fujitsu Services' charges for such reinstatement shall be paid by Post Office and shall be an amount equal to Fujitsu Services' costs multiplied by 100 and divided by 78, provided that such costs are subject to verification under the Open Book procedure.

47.15 If at the date upon which Project HNG-X is terminated in accordance with Clause 47.11, the move of Data Centres to Fujitsu Services' premises has been completed, such move will not be reversed following termination in order that the Services may continue to be provided using the Data Centres located at Fujitsu Services' premises. To the extent that prior to termination of Project HNG-X Data Centre equipment has been put in place and which relate only to the HNG-X Service Infrastructure, such equipment shall be decommissioned following termination and the costs of such decommissioning shall be borne by either Party in accordance with Clause 47.13.

47.16 If, for any reason, Post Office or Fujitsu Services gives notice to terminate this Agreement prior to HNG-X Initial Acceptance, Project HNG-X shall terminate, subject to Clause 47.16, two weeks after the date of service of such notice, unless the Parties agree otherwise in accordance with the Change Control Procedure. Any notice purporting to terminate Project HNG-X given after notice to terminate the Agreement

CONFIDENTIAL

has been given shall be deemed to be invalid and of no effect. If notices to terminate the Agreement and Project HNG-X are given on the same day, the notice to terminate Project HNG-X shall be deemed to have been given first.

47.17 If Project HNG-X is terminated in accordance with Clause 47.15, Fujitsu Services shall, where the Business Capabilities and Support Facilities have been rolled out in Branches, continue to provide the HNG-X Services using the Business Capabilities and Support Facilities in those Branches until the Horizon Applications have been reinstated in accordance with Clause 47.13.

48. Rights on termination and expiry of this Agreement, Partial Termination and termination of Project HNG-X

48.2 In the event of termination or expiry of this Agreement or termination of Project HNG-X or, any Terminable Service for any reason whatsoever, Post Office shall, without prejudice to Post Office's other rights and remedies but subject to payment of all sums due and payable to Fujitsu Services up to the date of termination or (if applicable) expiry, have the option (subject to Clause 48.2.3), exercisable in the applicable period referred to in the General Exit Plan or HNG-X Exit Plan (as applicable), to acquire from Fujitsu Services or to require Fujitsu Services to permit the Next Supplier to acquire from it, in consideration of the Transfer Payment the Project Assets which shall comprise:

48.2.1 any or all of the hardware that is comprised within the Infrastructure and/or that:

- (a) is being used; or
- (b) had previously been used in Branches and is no longer being used (other than any such hardware that is no longer being used because it was replaced by spare, upgraded or alternative equipment),

in each case in connection with the performance of the Services (other than where such hardware is either (i) not owned by Fujitsu Services or any of its subsidiary companies or (ii) those shared elements of the Infrastructure referred to in Clause 35.3); and

48.2.2 the right to require that Fujitsu Services shall assign or novate, or (if assignment or novation is not possible) arrange for the benefit thereof to be transferred, in favour of Post Office or to any person as may be designated for the purpose by Post Office any sub-contracts, equipment rental or lease agreements and all other agreements (other than employment agreements and agreements in relation to Third Party Software, Third Party Items or Non-standard Third Party Materials) entered into by Fujitsu Services which are necessary to the performance of the Services as Post Office may designate,

provided that, if termination is in respect of Project HNG-X or a Terminable Service rather than the entire Agreement, the above provisions shall apply only to those Project Assets (or, in the case of agreements, that part thereof) that are not reasonably required by Fujitsu Services for the provision of any continuing Services under this Agreement.

CONFIDENTIAL

48.3 Notwithstanding the generality of Clause 48.1 Post Office agrees:

- 48.3.1 only to exercise its rights under such Clause to the extent that the relevant Project Assets apply to, and are required for the provision or receipt of the Services or Terminable Services that are the subject of the termination or are otherwise to be provided pursuant to Schedule E (including, for the avoidance of doubt, the Exit Plan);
- 48.3.2 the rights provided for in Clauses 48.1 shall not apply to the PostShop Solution; and
- 48.3.3 in the case of Partial Termination of the Engineering Service, that it shall acquire or shall ensure that the Next Supplier acquires from Fujitsu Services all of the Project Assets referred to in Clause 48.1.1 that relate to the Engineering Service comprising the Counter Equipment used in Branches up to the network connection sockets in each Branch, as well as spare Counter Equipment held by Fujitsu Services intended for such use.

48.4 In the event that Post Office exercises any of the options in Clause 48.1 or Clause 48.2.3 applies, Post Office shall pay to Fujitsu Services on completion of such option or, in the case of Clause 48.2.3, such acquisition, a sum equal to the Transfer Payment. If Post Office exercises the option in Clause 48.1 in respect of any Partial Termination or in respect of termination of Project HNG-X or Clause 48.2.3 applies, the Project Assets acquired by it shall cease to form part of the Infrastructure and this Agreement shall be amended accordingly as provided in Schedule E.

48.5 In the event that this Agreement or a Terminable Service is terminated as provided for herein:

- 48.5.1 Fujitsu Services shall return to Post Office all Property of the Royal Mail Group in the possession of Fujitsu Services that is not required for the provision of any continuing Services under this Agreement.
- 48.5.2 Fujitsu Services shall, after being given notice of termination, render all practicable assistance to Post Office, if requested, to the extent necessary to effect an orderly assumption by Post Office or a replacement contractor of the services theretofore performed by Fujitsu Services under this Agreement and Post Office shall reimburse Fujitsu Services for such assistance at the rates then prevailing for customers of Fujitsu Services for the same or similar services.
- 48.5.3 Upon termination, Post Office shall be entitled to offer employment (or an agreement for services with Post Office) to any employee or sub-contractor (being an individual) ("Worker") of Fujitsu Services who has during the six months prior to such offer been involved for at least 75 percent of his contracted working time in performing Fujitsu Services' obligations under this Agreement which are the subject of the termination. Fujitsu Services agrees that if that Worker accepts such offer Fujitsu Services shall release that Worker from any breach of contract with it (other than in relation to such person's

CONFIDENTIAL

obligations of confidentiality and notice of termination) which such acceptance may otherwise involve.

- 48.5.4 As soon as possible following any notice of termination being given (in the case of an early termination of this Agreement or Partial Termination) and no later than three months prior to the expiry of this Agreement at the end of the term set out in Clause 46.1, Fujitsu Services shall at the request of Post Office provide to Post Office (or to the Next Supplier nominated by Post Office) a list providing details of the terms of employment of all Fujitsu Services personnel who are then employed in the performance of the Services or the relevant Terminable Service or Services (as the case may be) as reasonably required by Post Office in order to permit compliance with the Transfer of Undertakings (Protection of Employment) Regulations 2006 by Post Office or Next Supplier, save that nothing in this Clause 48.4.4 shall have the effect of requiring Fujitsu Services to produce information in breach of the Data Protection Act 1998 or in breach of any express duty of confidentiality which Fujitsu Services may owe to the Fujitsu Services personnel. In such circumstances, Fujitsu Services shall use its reasonable endeavours to obtain appropriate consent for the release of such information.
- 48.5.5 Without prejudice to Fujitsu Services' rights and remedies under Clause 48.4.7, Fujitsu Services shall fully indemnify Post Office from and against any and all liabilities which Post Office may incur in connection with or as a result of any claim or demand whatsoever by any employee or former employee of Fujitsu Services or of any of Fujitsu Services' sub-contractors or agents in respect of his employment with Fujitsu Services or such sub-contractor or agent (or, pursuant to the application of the Transfer of Undertakings (Protection of Employment) Regulations 2006, with Post Office or the Next Supplier) and/or its termination save to the extent such claim or demand both (i) is made by an employee identified within the relevant employment details referred to in Clause 48.4.4 as transferring pursuant to the Transfer of Undertakings (Protection of Employment) Regulations 2006 and (ii) relates to employer's obligations accruing after the said transfer of employment which are clearly identified within the relevant employment details.
- 48.5.6 Without prejudice to Fujitsu Services' rights and remedies under Clause 48.4.7, in the event that the Transfer of Undertakings (Protection of Employment) Regulations 2006 apply on Partial Termination for any reason pursuant to Clause 47.10, Fujitsu Services shall indemnify Post Office against all claims, demands and actions which are made or brought against Post Office and against any costs, liabilities, awards, decisions, losses and expenses (including reasonable legal fees) arising out of or in connection with any failure by Fujitsu Services or any of its sub-contractors or agents to comply with its or their obligations under Regulation 13 of the Transfer of Undertakings (Protection of Employment) Regulations 2006 save to the extent such failure is attributable to the failure of Post Office or a Next Supplier to comply with its obligations under the same Regulation.
- 48.5.7 In the event of any claim or demand being made or action brought to which Clause 48.4.5 or 48.4.6 applies, Post Office shall promptly notify Fujitsu

CONFIDENTIAL

Services of such claim, demand or action. Fujitsu Services shall at its own expense conduct all negotiations for settlement of the same and any legal proceedings that may arise therefrom. Post Office shall, and shall use reasonable endeavours to procure that its sub-contractors, agents and employees shall, at the request of Fujitsu Services, afford all reasonable assistance for the purpose of contesting any such claim, demand or action. Fujitsu Services shall promptly reimburse any reasonable expense incurred by Post Office in so doing. Post Office shall not make any admissions which may be prejudicial to the defence of any such claim, demand or action.

48.5.8 In the event that the Transfer of Undertakings (Protection of Employment) Regulations 2006 apply on Partial Termination for any reason pursuant to Clause 47.10, Post Office shall indemnify Fujitsu Services against all claims, demands and actions which are made or brought against Fujitsu Services and against any costs, liabilities, awards, decisions, losses and expenses (including reasonable legal fees) arising out of or in connection with:

- (a) any failure by Post Office or any Next Supplier to comply with its obligations under Regulation 13 of the Transfer of Undertakings (Protection of Employment) Regulations 2006 save to the extent such failure is attributable to the failure of Fujitsu Services, any of its sub-contractors or agents to comply with its or their obligations under the same Regulation; and
- (b) any change in the terms and conditions of employment of the employees identified within the relevant employment details referred to in Clause 48.4.4 made by Post Office or a Next Supplier on or after the transfer date or any change in the terms and conditions of the employment of the employees identified within the relevant employment details referred to in Clause 48.4.4 proposed by the Post Office or a Next Supplier and whether before, on or after the transfer date but only to the extent in each case such change or proposed change in the terms and conditions of employment constitutes a repudiatory breach of the relevant employee's contract of employment or involves a substantial change in his working conditions to his material detriment.

48.5.9 Without prejudice to Post Office's rights and remedies under Clauses 48.4.4 and 48.4.10, in the event of Partial Termination for convenience pursuant to Clause 47.10.2, Post Office shall indemnify Fujitsu Services against any claims, demands and actions which are made or brought against Fujitsu Services and against any costs, liabilities, awards, decisions, losses and expenses (including reasonable legal fees) arising out of or in connection with any act or omission of Post Office or any Next Supplier in respect of the employment of the employees identified within the relevant employment details referred to in Clause 48.4.4 on or after the date of such Partial Termination. The indemnity referred to in this Clause 48.4.9 shall not apply in relation to any Worker who makes or brings a claim, demand or action referred to in this Clause 48.4.9 to the extent that Fujitsu Services has failed to comply with its obligation under Clause 48.4.3 in respect of such Worker.

CONFIDENTIAL

48.5.10 In the event of any claim or demand being made or action brought to which Clause 48.4.8 or 48.4.9 applies, Fujitsu Services shall promptly notify Post Office of such claim, demand or action. Post Office shall at its own expense conduct all negotiations for settlement of the same and any legal proceedings that may arise therefrom. Fujitsu Services shall, and shall use reasonable endeavours to procure that its sub-contractors, agents and employees shall, at the request of Post Office, afford all reasonable assistance for the purpose of contesting any such claim or demand or action. Post Office shall promptly reimburse Fujitsu Services any reasonable expense incurred by Fujitsu Services in so doing. Post Office shall not make any admissions which may be prejudicial to the defence of any such claim or demand or action.

48.6 All the assets to be acquired pursuant to the exercise by Post Office of its option under Clause 48 shall be acquired and any software, documents materials or other things provided by Fujitsu Services pursuant to the licences granted under Clauses 48.8 to 48.13 shall be provided "as is", but (apart from such licences) free from encumbrances and the Parties agree that all express and implied warranties and conditions relating to such assets are excluded to the full extent permitted by law.

48.7 The Parties have agreed to populate the CCD entitled "Transfer Asset Register" (BP/SPE/041) with details of all Software data, tools, utilities, documentation and other items necessary to perform the Services and run the Applications (and to indicate those that relate exclusively to a Terminable Service and those that are shared between one Terminable Service and another Service or Services), and to agree, in accordance with the guidance contained in that CCD, the most appropriate treatment of such item. Notwithstanding any other provision of this Agreement, the categorisation and proposed treatment of such items agreed in that CCD shall take precedence over Clause 48.13 which shall be deemed superseded by such CCD when agreed by the Parties.

48.8 In the event that:

48.8.1 a Terminable Service is terminated pursuant to Clause 47.10.1 or 47.10.2; or

48.8.2 this Agreement expires or is terminated as provided for herein (other than by Fujitsu Services pursuant to Clause 47.4),

the provisions of Clauses 48.8 to 48.13 (inclusive) shall apply, provided that where termination is in respect of a Terminable Service rather than the entire Agreement, those Clauses shall apply only to that Service and any software, documents and materials that were used in the provision or receipt of that Service.

48.9 Subject to:

48.9.1 the payment of the Termination Charge in the case of termination of the Agreement by Post Office pursuant to Clause 47.7;

In all other respects the licence granted pursuant to Clause 48.8 shall be royalty-free.

48.11 Subject to:

- 48.11.1 the payment of the Termination Charge in the case of termination of the Agreement by Post Office pursuant to Clause 47.7;

- 48.11.2 the payment of the Partial Termination Charge in the case of Partial Termination by Post Office pursuant to Clause 47.10.2; and

- 48.11.3 in all cases, Clauses 48.11 and 48.12,

48.12.2 Fujitsu Services shall not be obliged to pay any licence fees or incur any other external costs or expenses in relation to such assistance or negotiations; and

48.12.3 Fujitsu Services shall use reasonable endeavours to obtain rights of use which are non-exclusive and on such terms which do not detract from Post Office's or the Next Supplier's ability to provide Replacement Services.

48.13 Where this Agreement terminates prior to the occurrence of Trigger Point T6 (Counter Application Rollout Complete), the applicable provisions of paragraph 2 of Schedule B4.1 shall apply in respect of the Escher Upgrade Software.

Additional or substitute sub-contractors may be approved from time to time in accordance with Clause 58.1 after the date hereof, in which case Schedule C2 shall be amended accordingly. 59.2 Subject to Clause 48.4.3, neither Party shall during the currency of the Agreement or for a period of six months thereafter without the written permission of the other (not to be unreasonably withheld) either on its own account or for any other person, firm or undertaking either directly or indirectly knowingly solicit or entice away from the other (the "Previous Employer") any Key Individual who is then or shall have been in the previous three months either:

- 59.2.1 an employee of the Previous Employer; or
- 59.2.2 engaged by the Previous Employer as a contractor performing the services of such an employee.

59.3 In the event that such Key Individual is employed or engaged by the other Party with the agreement of the other Party (such agreement to include without limitation agreed transfer of work and associated staff between the Parties during the term of the Agreement) or after redundancy from the Previous Employer, the Previous Employer shall not (unless agreed otherwise) be paid any sum by the other Party by way of compensation.

59.4 If either Party is in breach of this condition that Party will pay to the other Party by way of liquidated damages and not by way of penalty the Solicitation Fee.

59.5 Nothing in this Clause 59 is intended to prevent or frustrate the right of any individual to seek employment as he thinks fit.

60. Force Majeure

60.2 For the purposes of this Agreement the expression "Force Majeure" shall mean any cause affecting the performance by a Party hereto of its obligations arising from acts, events, omissions, happenings or non-happenings beyond its reasonable control including (but without limiting the generality thereof) (i) Governmental Regulations (subject to Clause 60.7), (ii) fire, (iii) flood, or (iv) any disaster or an industrial dispute affecting a third party. Any act, event, omission, happening or non-happening will only be considered Force Majeure if it is not attributable to the wilful act, neglect or failure to take reasonable precautions of the affected Party, its agents or employees, and only if a substitute third party is not reasonably available (having regard, without limitation, to the cost and quality of such substitute) to perform the affected obligation. In no event shall any fraudulent act or omission by any third party or Party in relation to the Services for which Fujitsu Services is liable under Clause 43.1 constitute a Force Majeure event.

60.3 Neither Party hereto shall in any circumstances be liable to the other Party hereto for any loss of any kind whatsoever including but not limited to any damages or abatement of Charges whether directly or indirectly caused to or incurred by the other Party by reason of any failure or delay in the performance of its obligations under this Agreement which is due to Force Majeure. - 60.4 If Fujitsu Services shall become aware of circumstances of Force Majeure which give rise to or which are likely to give rise to any such failure or delay on its part it shall forthwith notify Post Office within one Working Day and shall inform Post Office of the period which it is estimated that such failure or delay shall continue. If Post Office shall become aware of circumstances of Force Majeure which give rise to any such failure or delay on its part, it shall forthwith notify Fujitsu Services within one Working Day and shall inform Fujitsu Services of the period which it is estimated that such failure or delay shall continue.
- 60.5 It is expressly agreed that any failure by Fujitsu Services to perform, or any delay by Fujitsu Services in performing, its obligations under this Agreement which results from any failure or delay in the performance of its obligations by any person, firm or company with which Fujitsu Services shall have entered into any contract, supply arrangement or sub-contract or otherwise shall be regarded as a failure or delay due to Force Majeure only in the event that such person firm or company shall itself be prevented from or delayed in complying with its obligations under such contract, supply arrangement or sub-contract or otherwise as a result of circumstances of Force Majeure and there is no substitute person, firm or company reasonably available (having regard, without limitation, to the cost and quality of such substitute) to perform the affected obligation.
- 60.6 If any Force Majeure event prevents any Party from performing its obligations hereunder for a period in excess of 90 consecutive days, Post Office may after consulting with Fujitsu Services and taking into account Fujitsu Services' views, terminate this Agreement in accordance with Clause 47.1.5.
- 60.7 Extension of Time

If the performance of this Agreement by either Party is delayed by reason of any Force Majeure event (as defined in Clause 60.1), both Parties shall be entitled to a reasonable extension of time subject to there being no entitlement to any additional costs or expenses incurred as a result of the delay. The Party so delayed shall notify the other Party in writing within one Working Day of becoming aware of the Force Majeure event.

Post Office shall ensure that prior to any Confidential Information being disclosed to any such potential Next Supplier, such potential Next Supplier shall enter into an Agreed Form NDA and shall immediately inform Fujitsu Services if it has reason to believe that the potential Next Supplier is in breach of the undertakings contained in that confidentiality agreement.

CONFIDENTIAL

(b) Post Office may discharge the obligation imposed on it by Clause 61.4.2 to obtain signed confidentiality undertakings, in so far as such Clause relates to individuals who are provided to the Post Office to perform the tasks of Post Office employees under a framework resource agreement ("Framework Agreement") with a third party (such individuals being referred to in this Clause as "Contractors") by including within such Framework Agreement:

67.9 The Recitals are not legally binding, but are intended as a guide to the history, interpretation and construction of this Agreement.

67.10 References in CCDs and CRDs to items, services or matters affected by subsequent agreements between the Parties shall be construed to reflect most appropriately the effect of such subsequent agreements.

68. Amendments to Clauses, Schedules and Annexes of this Agreement and CCDs

Unless expressly provided otherwise in the provisions of this Agreement, the provisions of this Agreement shall only be amended in accordance with the Change Control Procedure.

69. Severability

If any of the provisions of this Agreement is judged to be invalid, illegal or unenforceable, the continuation in full force and effect of the remainder of them will not be prejudiced but such provision shall be deemed modified to the extent necessary in the court's opinion to render such term or provision enforceable, and the rights and obligations of the Parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the Parties herein set forth.

70. Dispute Resolution Procedure

Any dispute arising out of or in connection with this Agreement shall be resolved in accordance with the procedure set out in Annex 2 to Schedule A2.

71. Law and Jurisdiction

71.2 Without prejudice to Clause 70, this Agreement shall be governed by and shall be interpreted in accordance with English Law and the Parties submit to the exclusive jurisdiction of the English Courts.

71.3 This Agreement is binding on Post Office and its successors and permitted assignees and on Fujitsu Services and its successors and permitted assignees.

72. Entire Agreement

72.2 This Agreement constitutes the entire agreement and understanding between the Parties relating to the subject matter of this Agreement.

72.3 Each of the Parties acknowledges and agrees that:

72.3.1 in entering into this Agreement and CCN1200 it has not relied on and shall have no remedy (except in the case of fraud) in respect of any statement, representation, warranty, promise or assurance, whether or not in writing, and whether or not negligent, given or made by any person (whether party to this Agreement or not) other than as expressly set out in this Agreement or in CCN1200; and

CONFIDENTIAL

72.3.2 the only remedy available to it for breach of any of the provisions of this Agreement or CCN1200 shall be for breach of contract under the terms of this Agreement and CCN1200.

73. Revising the Agreement to reflect matters agreed in CCNs

The Parties agree that:

73.2.1 the CCNs listed in section 3.1/Part A of the CCN List are no longer relevant to this Agreement and have no effect;

73.2.2 to the extent that amendments were required to the provisions of the Clauses and Schedules of this Agreement in order to reflect the matters agreed in the CCNs listed in section 3.2/Part B of the CCN List those amendments have been made. Such CCNs have accordingly been superseded by this Agreement to that extent but this shall be without prejudice to the application of such CCNs to matters other than the Clauses and Schedules of this Agreement (including, without limitation, their application to, or the introduction of, CCDs or CRDs and/or to any charges or credits specified in such CCNs which are due or which shall become due to be paid or allowed); and

73.2.3 the provisions of the CCNs listed in section 3.3/Part C of CCN List (including any provisions set out in any attachments to those CCNs) have not been reflected by amendment to this Agreement and accordingly shall remain in effect insofar as applicable.

74. NBS CCNs

Without prejudice to the application or otherwise of any other provisions, the provisions relating to the Network Banking CCNs in paragraph 4 of schedule 24 to this Agreement in its form under CCN1100 shall remain in effect notwithstanding the omission of such provisions from this Agreement in its form under CCN1200.
