Hi Pete,

I've just got back in.

I'll certainly add to Alan's comments. Not sure if I can finish this afternoon – depends how long it is.

I'll look after lunch!"

Best wishes

Gareth

WBD have asked for a response today if at all possible.

Let me know if you can't do this today.

IMPORTANT - This email or attached documents contains legal advice (or relates to litigation or anticipated litigation) and is being provided in circumstances for which Legal Privilege may be claimed. Do not copy or forward this document without permission.

Alan, Gareth S and Gareth J,

Please see attached Torstein's draft witness statement. He has asked that the three of you review it and provide any feedback / clarifications; he is next working on Tuesday 25th, so it would be ideal if your comments could be fed back to him by the end of Monday.

Note that currently the draft has been provided to Torstein by WBD based on a previous statement with yellow highlighted sections where WBD are asking specific questions, and as you can see, Torstein has made amendments as tracked changes, and added comments.

Please would you copy Pete Newsome, Dave Ibbett and me in on your responses back to Torstein; if you need any clarification in the meantime probably best to go back to Pete.

Thanks

Matthew Lenton
