Nick , Thank you for writing . It has been ghastly but I have been buoyed by over 150 emails of best wishes from people I have worked with over the years .

Thank you for drawing the Shah piece to my attention . I have said to the BBC/ ITV and any journalists that I will not talk on or off the record . I will depart quietly unless my hard won reputation is put at risk .

The Sky journalist said his contact was at UKGI and he let slip it was a " she " . I wonder who that could be ?! The Sec of State was v annoyed about that leak .

Shah ' s comment of a bar room brawl was not far off the mark . I told a few CEOs / Chairs that I had never met KB . They were incredulous .

Watch out for LG . She is always saying you have been applying for jobs without success . I kept saying you need to watch your back - I forgot to watch mine !

I very much enjoyed working with you and wish you every success at PO and after that .

Best wishes to you and Clair . Henry
