M029 is one of the cases where we have re-drafted the exec summary of the report. I'm happy with that attached final version of the report however it refers to an officer's report and also a related investigation document – both attached.

Wayne, in Angela's/Shirley's team, has confirmed that the transcripts of the interviews with Thomas are not on the prosecution file. This therefore appears to be a case where both prosecution documents are important to prove the conclusions reached and there are no alternative documents on which to rely. Having reviewed both prosecution documents I cannot see any material that appears controversial. As this is a high profile case, it may be prudent however for either you or CK to quickly review the prosecution docs to confirm that they may be disclosed. Unfortunately, I cannot see any alternative approach (even redacting the docs will be of limited use as we need most of the info in both docs).

Please can you let me and Shirley know how you wish to proceed? I'm happy to liaise with CK if you want to go down that route.

Kind regards
Andy

Please can you send me a copy of document 7 – the "Post Office Investigation Legal document"?

Do we have the transcripts from the Thomas' interviews with POL security?

Kind regards
Andy

Shirley,

I have accepted the changes and am now happy with the document. Please remove Doc 002. Would you please ensure the formatting is consistent throughout as some paragraphs are indented more than others.

Andy – any thoughts before Shirley uploads to Huddle?

Thanks,
Angela

Shirley,

I have reviewed and made a number of tracked changes as I wanted to bring out the nil value transactions as the probable explanation for some of the Applicants losses - he admitted to doing this at interview and if happened only a couple of times a week he could have racked up considerable losses over a period of a year. Would you review please and let me have your comments.

Thanks,
Angela
