Subject: Duplicate records in ARQ output
Attachment: Hx_IOPPANBarcodes.zip

Alan,

As we discussed a few days ago, there are a large number of duplicate records in an ARQ output for FAD 173458. Could you please have a look at the attached and investigate? Can I send the ARQ to POL in the mean time?

I will send the password in a separate email.

Many thanks.

Regards,
