Hi Cerian

We can do either. If tomorrow morning, can we do after 10 am as I have meetings already in the diary before that which cannot be easily shifted around?

Best regards

Chris

Dear Cerian

Apologies for the delay. I have been out of the country with work in a different time zone.

Yes absolutely.

Could you please extend the teams invite to Saqib Alam as well (copied into this message)?

Mr Alam is a lawyer at Morrison Foerster. Morrison Foerster have been instructed by Fujitsu Services Limited in relation to its contractual arrangements with the Post Office and related legal matters.

I look forward to speaking with you on Teams next week.

Dear Cerian

Thank you for your message. I am well, thank you. I do hope that you are keeping well too.

In terms of a meeting in the coming weeks, would either of the weeks commencing 20 or 27 May 2024 work for you? I am afraid I am travelling with work the week before that.

In the meantime, I recall from our last meeting that you or your colleague Ms Farragher were considering whether to provide Fujitsu more information about the location and time-period of the matter you are investigating. We discussed that this could assist in identifying records of potential relevance to your investigations. I will of course look at this before our meeting if this is something that you are still minded to do.

Best regards

Chris

Good afternoon Chris,

Hope you are well,

Could you let me know your availability over the next few weeks to arrange a meeting,

I have spoken with Danny Saunders today in regards to the investigation and we have a few questions we would like to ask you in relation to Fujitsu. We have been advised we need to go to you directly rather than through the Post Office.

Thanks,

Kez

Dear Cerian

I have been passed your message by the team within Fujitsu Services Limited that looks after the delivery of contractual services to Post Office Limited in relation to the Horizon System.

I am a solicitor in Fujitsu's legal team and thought it appropriate to reach out to you directly given the legal nature of your request below. I should mention that I am a part of the legal team supporting Fujitsu Services Limited as a Core Participant in the ongoing Post Office IT Horizon Inquiry.

Would it be possible to have a call by telephone or on teams to see if you are able to share with me more information about the context for the request for a statement on the reliability of the current version of the Horizon system?

Best regards

Chris

Good morning Daniel,

I am hoping you can help; I have been passed on your details from Danny Saunders, Senior Investigations Manager.

I am investigating a referral in relation to Fraud at a Post Office. I am aware Horizon and Fujitsu are systems used for stock management.

I am hoping I would be able to obtain a statement regarding the reliability of the current version of Horizon.

Thanks
